

# MURDERER BRADLEY HELD UP POLICEMAN

## FATAL PLUNGE TO DEATH FROM SKY

### 2 AVIATORS OF ARMY KILLED

Lieutenants Fall 80 Feet to Death at San Diego

E. L. Ellington and H. H. Kelly, Aeroplane Accident Victims

SAN DIEGO, Nov. 24.—Lieutenants E. L. Ellington and H. H. Kelly, first division army aviation corps, were killed at 3 o'clock this morning in a fall of about 80 feet in an aeroplane. The accident occurred across the bay from San Diego, on the grounds of the army school on North island. Kelly was first lieutenant in the Twenty-seventh Infantry and Ellington first lieutenant in the Third Cavalry, U. S. A.

**MACHINE WRECKED.**

No reason for the accident was discovered, although a careful examination of the aeroplane was made. The machine was shattered, but the officers examining it reported all the controls in faultless condition. Captain A. C. Cowan, commanding the post, was among those who were watching the unfortunate aviators in the fatal dive.

"They were trying out a new six-cylinder Wright land machine, No. 14," said Captain Cowan, "and they were between 80 and 100 feet from the ground when they lost control. The machine was a new one and

### CURRENCY BILL NOW IN SENATE DEBATE

Chairman Owen Opens With Speech, Giving Operative Plan

WASHINGTON, Nov. 24.—The administration currency bill began the second stage of its legislative journey today when Senator Owen, chairman of the Senate banking committee, opened debate in the Senate. Owen devoted a great deal of his speech to demonstrating how the administration plan would operate.

Senator Hitchcock of the anti-administration wing of the banking committee will follow Senator Owen to present the bill drawn by himself and the five Republicans of the committee.

### COMMEND COUNCIL FOR LIQUOR LAW ACTION

OAKLAND, Nov. 24, 1913.

To the Honorable, the City Council of the City of Oakland, gentlemen:

At a meeting of the executive committee of the Public Welfare League, held November 18, 1913, it was moved, seconded and unanimously passed that the secretary be instructed to send to the mayor and commissioners of the city of Oakland the league's hearty appreciation of the action of the council in passing a liquor ordinance which will result in the reduction to 200 of the number of saloons and restaurants in the city of Oakland.

While the ordinance just passed is not the last word in liquor ordinance, yet it marks a tremendous step in advance, and we feel that the city is to be congratulated in having a board of commissioners with the courage to take this great step in the direction of securing for our city that standard in the conduct of the liquor business which the modern progressive community must of necessity demand.

(Signed) ARTHUR ARLETT, President.  
(Signed) HELEN S. ARTIEDA, Executive Secretary.

### AUTOISTS IN DEADLY PERIL

High Power Explosive Placed in Famous Boulevard

Police of Pittsburg Make Startling Discovery On Roads

PITTSBURG, Pa., Nov. 24.—The police let it be known today that for three weeks automobilists have been flirting with death as they drove along Grant Boulevard, the favorite motor track between the fashionable East End district and downtown to Pittsburg. During that time they have collected 120 sticks of dynamite apparently placed systematically along the road—some in the road, some along the roadside, and some in the bushes. The police today positively identified the sticks of dynamite as having been placed by a contractor's magazine.

Some auto would eventually have struck the planted explosive and been blown to atoms. The systematic planting would soon have resulted in the destruction of many machines and their passengers.

### Des Moines Saloons Still Closed Tight

DES MOINES, Nov. 24.—With every saloon in town closed tight as the result of the Supreme Court decision handed down Saturday, there was little prospect today that any effort to reopen the saloons would be made before tomorrow.

Judge A. C. Parker, representing the liquor interests, said that the application for a rehearing upon which might be expected a stay of execution permitting the saloons to operate for 30 or 60 days would hardly be filed today.

### Crushed Between Pillar and Wagon

SAN FRANCISCO, Nov. 24.—Elihu Gross, 20 years old, employed by the Spring Valley Lumber Company, was crushed between a pillar and a wagon in the stable of the corporation on 34th Jose avenue this morning. His back was broken and he was taken to the Mission Emergency hospital, suffering terribly. Dr. Taylor attempted to relieve the pain and ordered him transferred to the Central Emergency hospital. Gross lives at 1633 McAllister street.

## WEDDING PREPARATIONS ENDED WHITE HOUSE TO BE GAY SCENE

### FATALLY HURT AS TRAIN HITS AUTO

W. Cordy, of Berkeley, Hurled From Machine On S. P. Tracks

BERKELEY, Nov. 24.—Walter Cordy, prominent in the Berkeley Lodge of Elks, was fatally injured shortly before noon today, when an automobile which he was driving was struck by a Southern Pacific local train at Shattuck avenue and Bancroft way. Cordy was hurled from the machine and his skull was fractured.

Cordy is a salesman for the Sanborn & Vall Company of San Francisco. He had called at Clyde's bookstore at Shattuck near Bancroft and was just leaving that place when the accident occurred.

A southbound Key Route train standing in front of the corner made it necessary for him to turn about the end thereof, and as soon as he did so, he found himself directly in the tracks of the Southern Pacific, in front of a north-bound train.

He endeavored to cross the track ahead of the train, but was unable to do so. The impact of train and automobile hurled him several feet from the machine onto the pavement, from which he was picked up unconscious. He was taken to the Roosevelt hospital, where he received attention from Dr. Robert Hector.

The result of the operation performed was not known at 1 o'clock, but it was expected that Cordy would die. Cordy has lived in this city for several years at 2537 1/2 Elma street. He is a trustee of Berkeley Lodge of Elks No. 1902. Jerry Sullivan was the motorman and J. Travis conductor of the train which struck Cordy's automobile.

MISS JESSIE WILSON, HER MOTHER AND HER FATHER, THE PRESIDENT, AND (LOWER) THE PROSPECTIVE BRIDEGROOM, FRANCIS B. SAYRE.

### Six Workmen Are Killed by Train

BERLIN, Nov. 24.—Six men were killed and two others fatally injured when a train crashed into a group of workmen just outside of Berlin this morning.

### Many Gifts Arrive; Best Man Entertained; Invitations to Ceremony Sent to Close Friends

WASHINGTON, Nov. 24.—Finishing touches on arrangements for the White House wedding were in evidence in the historic east room today, and a rehearsal of the ceremony late in the afternoon completed all the plans for tomorrow's program, when Jessie Wilson, the President's second daughter, will become the wife of Francis Bowes Sayre.

Gifts and guests continued to arrive during the day. While the number of guests will be smaller than at the wedding of Alice Roosevelt and Nicholas Longworth, a distinguished company has been invited and the ceremony promises to be a brilliant scene. The House of Representatives has adjourned until Wednesday, and while the Senate has planned to work on the day of the wedding, it may adjourn in time to permit members who have been invited to attend.

**BEST MAN ARRIVES.**

Dr. Winfred T. Grenfel, the Labrador mission worker, who is to be best man for Mr. Sayre, arrived here today. Mrs. Sayre, mother of the bridegroom, was expected to be a guest at the White House today. Many guests from Princeton also arrived. Members of the Princeton faculty and residents of the town who have been long and close friends of the President and Mrs. Wilson and their daughters have received invitations.

Although no guest list has become public it is known the invitations have been limited almost entirely to personal friends of Mr. Sayre, Miss Wilson and the two families. No invitations have been issued to Senators or Representatives as such, though a few have been invited, and outside of the cabinet, the diplomatic corps and some high officials of the army and navy, invitations to official Washington were scarce.

The Senate's gift was sent to the White House today. The elaborate silver service consists of 15 pieces, the largest service tray being engraved: "Jessie Woodrow Wilson, from the Senate of the United States, Washington, D. C., November 25, 1913."

**MANY WEDDING GIFTS.**

As the wedding gifts arrived they were placed in a large room, where the members of the Wilson family personally supervised the work of unpacking and made lists for future acknowledgments. Those guests who are members of the house party and some of the others who arrived today were shown the gifts, though it is understood the presents will not be on view tomorrow.

The most valuable gift in the entire lot is the diamond pendant given by members of the House of Representatives. White House officials say Miss Wilson has been greatly displeased by exaggerated statements of the value of many of the presents. One of the most striking gifts received is a pure white vicuna skin rug from the Peruvian Minister and Mme. Pezet. Admiral Dewey and Mrs. Dewey have given a wonderful silver vase; Mr. Sayre's family has sent a complete set of small silver and a silver tea service. These, however, are only among hundreds of gifts which have been delivered almost hourly for the last week.

**DR. GRENFEL ENTERTAINED.**

Secretary Bryan and Mrs. Bryan entertained Dr. Grenfel today at luncheon. A dinner was planned for this evening by the President and Mrs. Wilson for the wedding party and relatives and later the officers of the President's yacht, the Mayflower, were to be entertained.

### IDENTIFIED AS NERVOUS THIEF

Escaped Slayer and Highwayman Took Gun From Officer

Weapon Found On Fugitive When Re-Captured at Stockton.

Forty-five days after his sensational escape from the county jail, Robert Bradley, murderer, highwayman and robber, held up Patrolman James A. Gunter of the Oakland police department when the officer intercepted him and two "pals" on their way to rob a saloon. The police today positively identified Bradley as the man who on October 15 passed the name of a revolver at Gunter's stomach and relieved him of his gun, his notice whistle, handcuffs and a bicycle.

To make the identification complete Captain of Detectives Agnew sent the number of Gunter's stolen gun to Chief of Police Frank B. Briare of Stockton, who had taken a revolver from Bradley when he was re-arrested. Briare answered today, stating that the number was the same as that on a revolver found on Bradley's person at the time of his arrest at Stockton.

**STAYED IN BAY REGION.**

The identification is proof conclusive that Bradley spent much of his time at large in Oakland following his escape from the "burglar-proof" jail, daily in the eyes of hundreds of city and county peace officials who sought him. Bradley for six weeks following his escape stayed in the bay region, while every police department in the country had received detailed descriptions of him, with instructions to place him under arrest.

The hold-up was fastened upon Bradley through the astuteness of Police Inspector R. V. McSorley, who has twice proved to be the murderer's nemesis. It was McSorley who was responsible for Bradley's identification as the murderer of Special Officer C. A. Williams in April, 1912.

Free Newman, now in the city prison on a vagrancy charge, and John Kelly, who aided Bradley in the sensational Stockton saloon robbery which preceded his arrest on October 30, are said by the police to have been Bradley's companions in the daring robbery of Gunter, which occurred early in the morning of October 15.

**ON WAY TO ROB SALOON.**

The three men were on their way to rob the saloon of Henry Wheeler of the Brooklyn House, at Twenty-second avenue and East Twelfth street. Gunter intercepted the trio at Twenty-third avenue and East Fourteenth street. Their appearance aroused his suspicions. He questioned them and was answered by having the revolver leveled at him. They then robbed him, taking his revolver, bicycle and handkerchief.

McSorley, upon hearing of the hold-up of Gunter, expressed the belief that Bradley had been one of the highwaymen. On October 30, two months to a day from the time of Bradley's escape, the murderer was arrested by the Sacramento police for the sensational robbery of the Stockton saloon on the previous Sunday night. Kelly, arrested by the Stock-

### Commission Members to Philippines Named

WASHINGTON, Nov. 24.—President Wilson today nominated the following for American members of the Philippine commission: Secretary of public instruction and vice-governor of the Philippine commission, Henderson S. Martin of Kansas. Secretary of commerce and police, Clinton L. Riggs of Baltimore, Md. Secretary of the interior, Winfred T. Denison of New York.

**THE TRIBUNE STANDS FOR A BIGGER, BETTER AND CLEANER CITY**

EDITOR TRIBUNE: The Public Welfare League of Alameda County desires to express to you the deep obligation that our community owes to your paper for the splendid campaign waged in behalf of better social and moral conditions in the recent Saloon Ordinance fight. Without your support the battle could not have been won. The community is to be congratulated on having a paper which stands definitely for a clean city.

Oakland, Cal., Nov. 24, 1913.

HELEN S. ARTIEDA, Executive Secretary.

# HUERTA'S REIGN NEARING END, IS WILSON'S BELIEF

## RECOGNITION REPORT IS SPREAD

### President Denies Mexi- can Newspaper's Story

### Foreign Governments Co-Operate With United States

EL PASO, Tex., Nov. 24.—So far as known in Juarez today, there has been no fighting between the federalists and rebels south of Juarez.

The rebels were stretched across the country in a line from east to west, 18 or 14 miles south of Juarez, last night, while their commander, General Francisco Villa, was in Juarez arranging to send supplies to them.

WASHINGTON, Nov. 24.—President Wilson's belief that the Huerta government slowly is crumbling was reiterated today at the White House. Discussing the situation, the President pointed out that the local press in Mexico City could print, uncontradicted, baseless statements as to the future intentions of the United States.

As evidence of the ability of the Huerta government to spread any impression it pleased through the Mexican press, the President referred incidentally to optimistic predictions in Mexican newspapers that recognition of the Huerta government by the United States was forthcoming.

The Washington government, it is known, is irrevocably determined under no circumstances to recognize Huerta.

MEXICO IN MESSAGE.  
Added interest was developed in the President's forthcoming message which he will read to Congress. It became known that a statement giving the status of the Mexican situation was included in it.

The President indicated that he would keep his message abreast of developments in Mexico so that his presentation of events would be up to the day of delivery.

President Wilson expressed satisfaction over the attitude of foreign governments, and indicated it was wholly friendly and showed a desire to co-operate with the United States wherever possible.

At the conference between Sir William Trevel, private secretary to Sir Edward Grey, the British foreign secretary, and President Wilson last night, it was stated the meeting was for "mutual information."

CONFERES WITH MINISTER.  
WASHINGTON, Nov. 24.—Sir William Trevel, private secretary to Sir Edward Grey, the British foreign secretary, had a brief conference with President Wilson last night at the White House.

He declined to reveal the subject discussed, saying it was personal and private. Sir William has been here for several weeks, and on account of the illness of Sir Cecil Spring-Rice has interested himself considerably in the Mexican situation.

It became known that last night's conference was his second with the President, and that on the first occasion he had a frank talk on Mexican affairs. This interchange of views is believed to have resulted in the friendly understanding that has existed since between Great Britain and the United States concerning Mexico.

The British Government has indicated not only to Washington but to the Huerta regime that it is warmly supporting the policy of President Wilson.

It is known that the confidence of the Washington administration in ultimately forcing the retirement of Huerta is based largely on the friendly attitude of the great powers abroad, who are declining to enter the Mexican Government financially or otherwise.

Just when the next move in the situation may be expected is not known. There is a disposition in some quarters to think Washington wishes to learn more of the intentions of the new Mexican Congress, and some persons conversant with affairs thought it not impossible that the situation would remain unchanged so far as the government was concerned for several days.

Except for a few dispatches telling of the situation around Juarez no tele-

## TO GIVE BENEFIT WHIST DIVERSION

MISS JOSEPHINE BECKER.

On Thursday night there has been a whist diversion for the benefit of the late David S. Hirshberg, which was held here this morning.

The full Masonic rites were administered by the officers of the Starr King lodge. The officials who recited the ritual were: Thomas Smith, senior warden; Charles Manson, junior warden; H. L. Simon, chaplain; A. H. Leaf, treasurer; J. C. Grogan, secretary; H. F. Wright, marshal; Charles Baer, senior deacon; F. Berle, junior deacon.

Stewards J. H. Samson, Tyler. During the services, which opened at 8 o'clock, the following were present: J. H. Samson, Tyler; J. C. Grogan, secretary; H. F. Wright, marshal; Charles Baer, senior deacon; F. Berle, junior deacon.

Following was Rabbi Friedlander's tribute: "The late David S. Hirshberg, who was a member of the Starr King lodge, died on November 18, 1913, at the age of 45 years. He was a man of great character and a devoted member of our lodge."

During the services, which opened at 8 o'clock, the following were present: J. H. Samson, Tyler; J. C. Grogan, secretary; H. F. Wright, marshal; Charles Baer, senior deacon; F. Berle, junior deacon.

## TO APPEAL IN FIGHT FOR CHILD

### Mrs. Annie Mathews Files Notice in Action Against Foster Parents.

Mrs. Annie Mathews, whose sensational fight in the Superior Court for custody of her eight-year-old son, Gerald Mathews, resulted two weeks ago in the being placed under the guardianship of Mr. and Mrs. Warren A. Rouse, who reared him since infancy, has filed notice of an appeal to the Supreme Court from the judgment of Judge Stanley A. Smith, who heard the case in the Extra Sessions.

By the terms of the decision, it was provided that the mother might visit the child during the week-end, but that she should not have custody of him during the week.

His guardians have been keeping a close watch on their ward. At the time she last saw Mrs. Mathews declared that she would fight for custody of her child through the highest courts. Testimony given by Mrs. B. Wilson, the mother, had been, however, showed that she earned but a small salary.

declared that the best interests of the child should be the first consideration of the court, and that the mother had the custody for the greater portion of his life.

planning to give a dinner and dance aboard the craft for the immediate members of the bridal party.

NEW YORK PRESENT.  
NEW YORK, Nov. 24.—A delegation representing 100 girls employed in a white goods factory left today for Washington to present to Miss Jessie Wilson, the President's daughter, a hand-embroidered linen petticoat as a wedding gift.

understood, had made an appointment to receive the committee at the White House this afternoon. All of the 500 girls played some part in the making of the fine petticoat, which is unadorned with a garland of roses and an American eagle and flag bearing the initials J. W. S.—J. Wilson Sayre. The idea was promoted by appreciation of work that Miss Wilson had done as a special worker among New York factory girls.

ABSORBING TOPIC.  
WASHINGTON, Nov. 24.—The wedding at the White House Tuesday of Miss Jessie Woodrow Wilson and Francis B. Sayre was the subject of absorbing interest in society circles yesterday, but there were few active preparations for the event noticeable at the executive mansion.

Although a great number of officials have been invited to the wedding, it became known last night that not more than a score of Washingtonians outside of the official circle have been invited.

The guests for the most part, are the old friends of the Sayre and Wilson families. Many members of the Wilson family have been invited, as well as their wives have been invited, as well as many veteran residents of the college town. Sayre's friends at Williams College and Harvard Law school also are coming in great numbers. The company will present, outside of its official and collegiate atmosphere, that will make it unique in the list of White House weddings.

Dr. Wilfred T. Grenfell, the mission worker on the Labrador coast, who is to be best man, arrived today. Mrs. Sayre, mother of the bridegroom, also is expected to reach here tomorrow. She will be a guest at the White House.

African Strikers  
Killed and Wounded

NATAL, Union of South Africa, Nov. 24.—Three natives were killed and 22 wounded today by the police during a riot at the Premier mine. Of the 22,000 natives employed there 3000 joined the rioters who looted the stores and attacked the natives of another compound.

Mrs. Adlai Stevenson  
Reported Very Ill

CHICAGO, Nov. 24.—Mrs. Adlai Stevenson, wife of the former Vice President, and past president-general of the Daughters of the Revolution, is seriously ill in her home at Bloomington, Ill., according to news received here today.

master, having served in that office in 1896.

He was also a past master of Live Oak lodge where he was one of the charter members. He held the highest offices in the Ancient Order of United Workmen and the Independent Order of B'nai B'rith. Many of the grand officials of those lodges were in attendance. Hundreds of letters of appreciation have been received by the widow and daughter.

Close friends of the deceased were the active pallbearers. Those who officiated were: Messrs. Gale and Deutsch, of Starr King Lodge; Dunton and Spencer, of Ancient Order of United Workmen; M. J. Coffey and Wallace Wise, of Oakland Lodge, I. O. B. B.

Numerous floral tributes surrounded the casket. The pall consisted of chrysanthemums of various colors. There were many sprays, bouquets and set pieces, which

section.

Up to the time of his death the late David Hirshberg was chairman of the auditing committee of the Starr King Lodge, of which he was a Past

## PLAYER-PIANO BUYERS SAVE \$252.50 EACH, This Is Your Opportunity; Act at Once

If you positively knew that the finest, warranted, brand new, latest perfected, real \$300 Player-Pianos were reduced \$252.50, you'd be intensely interested, wouldn't you? But suppose you haven't the money to pay all cash for such a Player-Piano, even at such a wonderful saving in price, and you found that one of these fine new instruments would be delivered to you on EASY MONTHLY PAYMENTS. Then surely you wouldn't hesitate.

Don't hesitate now. Make home a musical home, for the above actual price saving and also the best terms of payment are offered to you now in this undertaking, which will be without question the most successful of many successful sales we've ever conducted.

look at anything for less than \$300; look only at the very finest and most expensive instruments. Then come here and you'll get a better, a more valuable Player-Piano, better in tone, and better in the artistic rendering of your favorite selections at the saving we've stated and on the easiest kind of charge and monthly payments.

Aside from low price and easy terms, if you will take one of these fine instruments you secure a money-back guarantee and free music roll service, since within a section of the very best rolls of music are supplied free of charge to each buyer of one of these Player-Pianos. They may be exchanged without charge. Free bench. Free delivery. No extras.

We agree also to ship one of these Player-Pianos anywhere in the state.

or, better still, come immediately to the Big Piano Store, the Nation's Largest, Eulers Music House, 1448 San Pablo avenue, next to Kahn's new store.

BRADLEY SAID TO  
HAVE BAD RECORD

(Continued From Page 1)

ton police for the robbery, identified Bradley as his companion in the job. Bradley was then identified as the escaped murderer from Oakland and returned to this city.

IDENTIFIES BRADLEY.  
Upon his return to the county jail McSorley took Gunter to his cell. Gunter took one look.

"That's the man who pulled the gun on me," declared the patrolman. "There is no doubt about it."

Neuman was arrested a week ago for evading the payment of railroad fares. Captain of Inspectors Agnew believed that Neuman had been in trouble before and decided to hold him for investigation. Bradley, after being identified by Gunter, declared that Neuman was the man who had held him up. Gunter looked at Neuman, but failed to make a complete identification. Neuman accuses Bradley of being the man Neuman will be held pending further investigation. Neuman is now serving a five-year term in Folsom.

Steamship Minnesota  
Aground in the Orient

YOKOHAMA, Nov. 24.—The steamship Minnesota, from Manila for Seattle by way of Hongkong and Yokohama, went aground yesterday on a sand-bank off the Nara-Sa beacon.

Shimonoseki. In the straits of Shimonoseki, the vessel is apparently safe and the vessel is apparently undamaged. She is being lightered and will be refloated soon.

New Book That Will  
Attract Attention

A new book has just come from the press entitled "Links of Mystery and Their Unveiling," by Eleanor Manuel King, known to thousands in this part of California as Miss Nellie Manuel.

The author, when a mere child, was taken from her parents, who were believed to have been murdered, and link by link she traces down the persecutors and suspected murderers. One book is declared by critics to be one of the most remarkable and startling works published in some time. It consists of over four hundred pages and is being sold at \$1.50.

Owing to the popularity of the author and the frank and truthful manner in which the story unfolds itself, and the note of sincerity throughout, it is predicted that the book will have a large sale.

The book will be found on sale at any of the following stores: DeWitt & Snelling's book store, 1609 Telegraph avenue, Oakland; Glessner, Mosse & Geary, Center street at Shattuck avenue, Berkeley, and City book store, 1303 Park avenue, Alameda.

# HIGH COST OF RAILROADS SHOWN

Daniel Willard Makes Strong Plea to Increase Fare Rates.

Inter-State Commission Hears Officials' Side of the Case.

WASHINGTON, Nov. 24.—Daniel Willard, president of the Baltimore and Ohio; Frederick Delano, president of the Washash, and George Stuart Patterson, president of the Pennsylvania, appeared before the interstate commerce commission today to argue for authority to increase rates on all classes of freight traffic approximately five per cent east of the Mississippi and north of the Ohio and Potomac rivers.

The hearing is of the utmost importance to all the railroads of the United States, for should the commission grant permission for the increase it might extend the authority to the other railroads. The commission will inquire whether present rates would adequately compensate the common carriers and much testimony will be taken.

**COST OF RAILROADING**  
That the railroads of the country have felt the burden of the increased cost of living, like all other enterprises or individuals, "but unlike all others have not been permitted so far to raise their prices or adjust their charges in recognition of that burden," was the declaration of Willard, arguing today for authority to increase freight rates approximately five per cent in the territory east of the Mississippi and north of the Ohio and Potomac rivers.

Referring to the refusal of the commission in 1910 to grant a 10 per cent increase and the promise to reinvestigate the rate question in the future, Willard asserted that operation of the railroads in the last three years was not such as to inspire confidence of private capital or encourage the support of private enterprise.

"It is respectfully submitted," he continued, "that there is at this time no more important question before the people, nor one the correct solution of which will do more to stimulate healthy commercial activity and promote industrial growth."

**QUESTION NOT DIVIDENDS.**  
"It is a mistake to think that the problem is merely a question of dividends to railroad stockholders, although that feature is involved. The problem in a broad and true sense affects all interests and the outcome of this particular case—whether it is decided—will mark an epoch, because it will, in effect, very largely determine whether we shall in the past continue to look to private capital and private enterprise for our transportation requirements, or be compelled to look to the only alternative—public ownership."

In presenting the facts upon which the railroads rely to prove the necessity for an increase in rates, Willard asserted that in the past three years the railroads in the territory affected had spent in property investment some \$500,000,000.

"The arbitrators," he said, "would give the conductors and trainmen \$6,000,000 per annum additional. The effect of the so-called fair crew laws alone, he said, had been to increase the expense of these carriers more than \$4,000,000 per annum."

**TAXES ARE PAID.**  
The railroads affected paid \$54,494,171 in the shape of taxes for 1912, he asserted, and there have been paid in taxes \$25,216,000 in 1913, this being \$7,554,000 more than for 1910.

## Suicide Epidemic Among Russian Political Exiles

BERLIN, Nov. 24.—The sufferings from hunger, disease and ill treatment of Russian political prisoners and exiles are set forth in an appeal published in many European newspapers today over the signatures of several hundred prominent men and women of Germany, England, France and other countries.

An epidemic of suicide is said to prevail at present among the banished political offenders, who, it is stated in the appeal, regard this as their only means of salvation. The signers will form a committee to collect and publish facts.

## BURGLARS OBTAIN VALUABLE LOOT

A cornet and a revolver of the value of \$70 were the loot of a burglar who last night, climbed through a window in the home of Carl C. Olsen, 512 Twenty-fifth street. The burglary was reported to the police. The same thief went through the apartments of J. W. Boslick and secured silverware and clothing valued at \$25.

G. R. Gilmore, 453 Forty-first street, has asked the police and the man who stole his overcoat, valued at \$15, from a Broadway cafeteria this morning. A silver watch valued at \$25 was stolen from a bureau in the home of Mrs. C. L. James, 544 Fifty-second street, last night.

# PARISHES OBSERVE FATHER SERRA DAY

Oakland Honors Priest of Early California Missions

Mass Held in Various Churches; Fiesta Continued

The two hundredth anniversary of the birth of Father Junipero Serra, founder of the early California missions, was celebrated with a special solemn high mass at 9 o'clock this morning in St. Mary's church, where Rev. Father McGrath, one of the assistant priests of that parish, gave a brief sermon on "The Life of Junipero Serra." Rev. Father Thomas Kennedy was the celebrant at the mass. He was aided by Father E. P. Dempsey and Rev. Father McGrath.

**AT SACRED HEART.**  
Rev. Father Serra was the celebrant at the mass held at 8:30 this morning in the Sacred Heart church. In many of the Catholic houses of worship the usual low mass was observed this morning. At 7 and at 8:30 o'clock Father Murray conducted the devotions in St. Francis de Sales church. Father M. J. Barr, a priest at the low mass in St. Patrick's church of West Oakland.

At the 7 o'clock mass in St. Anthony's church of East Oakland the pupils of the parochial school supplied the music. The chorus of mixed voices was trained by the sisters and brothers of St. Anthony's parochial school.

In the churches of the annexed district the customary low mass was celebrated with no special services.

**MINSTRELS AT FIESTA.**  
Minstrels of Oakland Council, No. 6, Young Men's Institute, will perform tonight at the Junipero Serra fiesta in the Sacred Heart hall. Twenty-five members of that fraternity will entertain the patrons of the fair, which opened auspiciously last Thursday evening and was to have closed last Saturday evening, but owing to its unprecedented success will continue until tomorrow evening, when it will close with a battle of confetti.

Hundreds of representatives of the parishes of the bay cities have attended the festival, which has proved a financial and social success. The proceeds will be placed in the church treasury to be used for the beautification of its buildings and sundry needs of the parish.

The Junipero Serra celebration has furnished entertainment for the young and old and has been one of the novel events of the season. The mission booths, which were presided over by attractive women and girls of the Sacred Heart church, furnished an historical background for the fiesta, which was cleverly planned by the executive committee of the church.

Mrs. G. Cook has expressed much interest in the fair and has assisted in one of the concessions.

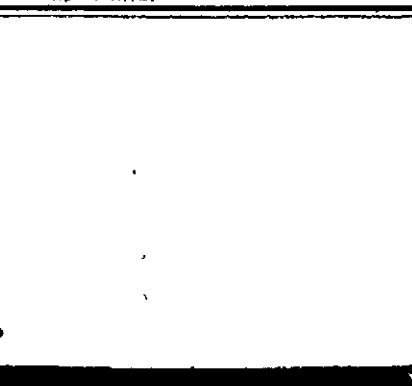

**Celebrate Birth of Serra at Carmel.**

CARMEL-DE-THE-SEA, Nov. 24.—To commemorate the 200th anniversary of the birth of Junipero Serra, the Spanish priest who established the Catholic mission at Carmel, more than 3000 persons, including members of the Catholic clergy, the Third Order of St. Francis, which stood sponsor for the pilgrimage, the Young Men's Institute, the Young Ladies Institute, League of the Cross Cadets and the Serra Cadets, gathered here yesterday. Services, elaborate in their simplicity, marked the occasion. Shortly before noon the first trainload of pilgrims arrived at Monterey, from whence they were transported by automobile to this place. Here a

First in line were the crucifix and the candles, borne by acolytes. Father Leonard, garbed in the raiment of the Franciscan monk, followed, with Father Mestres and the visiting clergy. Bearing the colors of the United States came next Adam J. Kraemer, and with it the colors of Spain. In turn followed the boys' band of the St. Francis Orphanage, then the banner of the Third Order, following which came the long line of pilgrims. Father R. M. Mestres, pastor of the parish of San Carlos de Monterey, officiated at the mass service in the church, which was packed to its capacity. Assisting him were Rev. Brother Felix, O. F. M., of Sacramento as deacon; Brother Idephonse, O. F. M., of Fruitvale, subdeacon; Rev. Brother Juniper, O. F. M., of St. Bonifacio, San Francisco, master of ceremonies.

A telegram from Father Francisco Torres, parish priest of Petra, in the island of Majorca, saying that all of Spain joined in the spirit of the occasion was then read. The ceremonies in the church were followed by a barbecue on the mission grounds.

**DYNAMITE WRECKS SHOP.**  
SCRANTON, Pa., Nov. 24.—The forge shop of the Carbondale Machine Company at Carbondale, which has been tied up by a strike for the past two months, was partially wrecked last night by dynamite. Twenty strikebreakers housed near the shop escaped injury.

Much more refreshing than green tea and goes twice as far.

MISS G. COOK, WHO WILL ASSIST AT Y. M. I. SERRA FIESTA.

—Bushnell photo.

## Alameda Observes Junipero Serra Day

ALAMEDA, Nov. 24.—Junipero Serra day was observed in this city by the closing of the city offices and the banks. There were no special exercises here. Members of the Alameda Council of the Knights of Columbus joined the pilgrimage to Mr. Carmel and participated in the ceremonies yesterday arranged by the Order of St. Francis.

Tax Collector Oswald Lubbock was the only city official, outside of the police and fire authorities, who worked today. Because of a ruling by Attorney General Webb that taxes would have to become delinquent at 6 o'clock this evening, as scheduled, the tax collector kept his office open all day. There was a steady stream of taxpayers, several thousands of dollars being collected.

## Asks U. S. Money for Fighting Jack Rabbit

WASHINGTON, Nov. 24.—War will be declared by the United States on Jack rabbits, ground squirrels and prairie dogs, if Representative Smith of Idaho can wheedle an appropriation of \$20,000 from Congress to enable the department of agriculture to begin operations in the Rocky Mountain states. The money would be expended in ascertaining the best means of exterminating these destroyers of growing crops and grasses. Representative Smith said that in a recent rabbit drive in Idaho more than 15,000 rabbits were killed, but that the slaughter had scarcely made an impression on the rabbit population.

## CLEVELAND OIL COMPANY OFFICERS PUT ON TRIAL

LOS ANGELES, Nov. 24.—The trial of the four officers of the Cleveland Oil Company, charged with conspiracy to defraud by using the mails for that purpose, was begun in the United States District Court here today. The defendants are Grant C. Gillette, Edison Francis Toledo, O. Thomas M. Montgomery and John Montgomery Jr. The two Montgomerys asked for a separate trial, alleging the offenses with which they were charged, if committed at all, had been committed after they had severed their connection with the concern. The request was denied.

## CONGRESSMAN KNOWLAND BICENTENNIAL SPEAKER

SANTA BARBARA, Nov. 24.—Congressman Joseph R. Knowland of Alameda was the principal speaker at the bicentennial celebration of the birth of Father Junipero Serra at the old mission today. This feature of the celebration was the unveiling of a huge concrete cross in memory of Father Serra.

## NO CHANGE IN LOCAL MARKETS; HOLIDAY

Today was a State legal holiday in local markets. The commodities remained open, but quotations did not change, there being no meeting of the market.

Much more refreshing than green tea and goes twice as far.

## Taft and Penney Employees to Hold Big Theater Party

The annual theater party of the Taft and Penney Employees' Mutual Aid Association will be held this evening in the Orpheum Theater. The proceeds of the affair will be devoted to the family of a recent deceased member of the store. A committee consisting of J. Gilmore, Will Thellie and Miss Katherine Foley is perfecting details for the affair and indications point to a large attendance.

## WILL ADDRESS OAKLAND AD CLUB

Louis Levy to Deliver Illustrated Lecture On Exposition Tomorrow Noon.

An illustrated and moving picture address will be delivered by Louis Levy, director of general publicity for the Panama-Pacific International Exposition, tomorrow noon at the luncheon of the Oakland Ad Club in the Hotel Oakland. Practically every event of any importance connected with the selection of sites, breaking ground and the construction of the exposition in connection with the exposition in 1915 will be thrown upon the screen. Levy has made an exhaustive investigation into the lighting system which will be operated to keep the fair grounds illuminated, and will speak of this during the course of his talk. He will also explain the importance of the completion of the Panama canal to the Pacific coast, particularly the San Francisco bay region, giving data in regard to the construction of the "big ditch."

An outline of the various preparations being made for the exposition, and this should be of considerable interest to local business men. The executive committee of the club, consisting of F. J. Mayhew, chairman; L. V. Hill, Fred E. Reed, W. W. Cribbins, F. L. Hall, M. J. Schoenfeld and P. E. Hink, are being assisted by President Raymond Boyd and Secretary W. F. D. Brown in arranging tomorrow's luncheon, and a record attendance is expected.

## EX-MAYOR STILL IN GRAFT PROBE

Testimony About James M. McGuire of Syracuse Continues Before Grand Jury.

NEW YORK, Nov. 24.—Further testimony relative to the allegations that James M. McGuire, former Democratic mayor of Syracuse, violated the State laws making it a misdemeanor to solicit from a corporation funds for political purposes was heard by the grand jury today.

McGuire is said to be on his way to New York today. His brother, George H., described on Friday at the John Doe inquiry a plan under which it was proposed to obtain State contracts for corporations which contributed to the Democratic State Committee, and gave in addition a commission on their sales to the McGuire.

## Roosevelt Attends Church in Chile

SANTIAGO, Chile, Nov. 24.—Colonel Theodore Roosevelt and the members of his party attended service at the Anglican church yesterday. Two thousand Chilean boy scouts also attended. The American guests were present at the races in the afternoon and at a dinner at the government palace at night.

The party today went on a sight-seeing trip around the city, followed by a garden party and will attend a ball given by the minister of foreign affairs tonight.

## Mexican 'Bad Men' Shoot Town Marshal

SANTA PAULA, Cal., Nov. 24.—In an attempt to round up a party of Mexicans who were "shooting up the town" early today, Town Marshal H. M. Norman was fatally wounded, and Sheriff Martin, who was assisting, is out seeking the men responsible. The disturbance occurred in the Mexican quarter. Norman, with the town's chief night watchman, K. O. Gammel, sought to arrest the men, who promptly opened a machine gun fire. Norman was shot through the lungs.

## ARRESTED FOR EVADING R. R. FARE PAYMENT

Labors coming into the city on Southern Pacific trains, "beating" their way from eastern points to secure work at the San Francisco Exposition grounds, are being arrested by special railroad officers who are boarding each train as it pulls into the Sixteenth street depot. The practice was started today following the Richmond train robbery. Sidney J. Gary, Arthur M. Gregg and Clyde Cutter were arrested today and charged with evading the payment of railroad fares.

## EX-CITY ATTORNEY IN AUTO MISHAP; UNHURT

A. J. Johnson, former city attorney of Richmond, narrowly escaped serious injury last night when his automobile collided with a street car at Twelfth street and Broadway. Johnson was not injured, but the automobile was wrecked.

# TELLS SYSTEM FOR STREET CLEANING

Commissioner Baucus Files Annual Report Outlining Present Procedure.

Methods, Copied in Other Cities, at Once Economical and Efficient.

Commissioner of Streets W. J. Baucus has perfected a system of street cleaning and sweeping which is at once economical and efficient.

In his annual report, filed with the city council, Baucus outlines the system of street cleaning.

The city is divided into four districts for street cleaning and repairing, as follows:  
North of thirty-sixth street and west of Lake Shore avenue; south of thirty-sixth street and west of Lake Merritt; between Lake Merritt and Lake Shore avenue on the west and Sausal creek on the east, and from Sausal creek to the city limits on the east.

Each of these districts is under a district deputy, who is held responsible for the work done out for him by the assistant deputy and for the general condition of the district. In addition to these men, there is a foreman of roads, who has charge of all the hill roads, and a foreman of street sweeping, who has charge of the sweeping of asphalt streets. The laborers, cars and teams required in these different districts are assigned to the men in charge and work to the best advantage to accomplish the work. Each district deputy is assigned two sub-foremen, so that they may split his men into crews or gangs. These sub-foremen work with the gang and usually set the pace for the men.

## ADDITIONAL CREWS READY.

Additional crews that may be sent to any part of the city where their services may be required are as follows:  
Roving crew of one special laborer and man with cart, who are assigned to emergency work, and at other times work with some regular gang. Cutter crew, which looks after the relaying and building of cutters. Four steam rollers with engineers, which work in any part of the city and the oil-patching crew which looks after the patching of oil-macadam surfaces and trenches. The foreman of oil-patching also supervises the oiling of old plain macadam streets. This crew works with other gangs at the lower part of the city and at the lower part of the city and when there is no work in patching.

The sweeping or cleaning of asphalt streets is a growing expense to the department.

The cost by years is as follows:  
Year 1910-1911, \$43,169.60; year 1911-1912, \$59,068.78; year 1912-1913, \$60,855.55; year 1913-1914, \$80,000 (estimated).

This increase in cost is due to the increased mileage of streets and the necessity of being swept more frequently on account of increased traffic.

## HAND SWEEPING NECESSARY.

In the downtown business section, where the traffic is very heavy, it is necessary to sweep by hand and keep the dirt from accumulating during the day. As the business district expands more sweepers must be put on where hand-sweeping is done.

In the business section and semi-business section where the traffic is not so heavy, the suction machine-sweeper is used. This is done to avoid the annoyance and inconvenience of dust raised by the ordinary rotary sweepers.

In other sections the sweeping is done with the ordinary horse-drawn rotary broom or by a rotary broom drawn by an autotractor. Some of the streets in this section are swept daily, some four times, three times, or two times a week, as the traffic may require.

## ROTARY BROOMS USED.

Oil-macadam streets are cleaned by rotary brooms and the dirt is pushed to the gutter. The cleaning crew then cleans the gutter and removes the dirt. This is much easier and less expensive than cleaning with a hoe, as must be done on plain macadam streets.

With the funds and working force available we can only give most of the streets one cleaning a year, the only exception being the streets with very heavy traffic.

But for the oiling done and the building of oil-macadam streets only, the increased mileage of streets during the last two years would have required at least a 50 per cent increase in the cleaning and repairing and in sprinkling. The continuing of the oiling experiments started in 1910, and bringing them to an efficient basis has saved the city many thousands of dollars, besides giving better results.

## CHURCH SHOULD HELP WEAK, SAYS PASTOR

SAN FRANCISCO, Nov. 24.—At the First Baptist Church, Rev. George E. Burlingame spoke on "The Body of Christ." His text, taken from the Ephe-sians, was, "We are members of His body." In part, Rev. Mr. Burlingame said:  
"The Christian is the result of a divine influence and is the product of divine life. We are Christians, not by virtue of the word we profess, but because of the influence imparted to us. The church, which is also a part of the body of Christ, should exercise watchful care over the weak and erring, that they may be recovered to a useful and holy life. In this common relation, we find the true basis for Christian union."  
"The relation of Christ and the church demand that the poor and needy be cared for, and unless this order is fulfilled the true Christian spirit cannot be exemplified."

## SAVED HIS FOOT.

H. D. Ely, of Bantam, O., suffered from horrible ulcer on his foot for four years. Doctor advised amputation, but he refused. He was cured by the use of Dr. Ely's Ointment. Only 25c. All druggists or by mail, E. E. Bucklin & Co., Philadelphia or St. Louis.

# ORDERS MARINES TO PENSACOLA PICK UP RUNAWAY BOY AT STOCKTON

Secretary Daniels Late Home, Oakland Led Snake to Avoid Military School Training.

WASHINGTON, Nov. 24.—Secretary Daniels ordered 750 marines to day from Philadelphia to Pensacola, Fla., to be stationed on the reservation adjoining the navy yard. They will leave later this week on the

Secretary Daniels' order follows the favorable report of Assistant Secretary Roosevelt, who found the Pensacola reservation adapted to the advance work being carried on by the marine corps. It is Secretary Daniels' intention to concentrate the marines at several stations, one at Pensacola, others on the Pacific coast, the Panama canal zone and at Philadelphia.

Frederick V. Shaw, a 16-year-old boy who ran away from his home at 330 Boulevard avenue last Tuesday because his parents were about to place him in a military school, was arrested by the police of Stockton last evening. The boy was picked up on

the morning and taken to the police station. He has been brought back to Oakland and lodged in the Detention Home.

The police have been asked to seek two small boys who have been missing since Saturday night. Robert Bruce St. Clair, 6 years of age, left his home at 411 Grayson street, West Berkeley, Saturday night to visit a boy friend in Oakland. He has not been seen since by his family. Clarence Wanger, 1105 San Pablo avenue, left home Saturday evening to visit a motion picture show and disappeared.

## RECOGNIZES HER FUR ON ANOTHER

**Mrs. O. L. Becker Recovers  
Beautiful Mink Lost Years  
Ago in Nickelodeon.**

Recognizing a beautiful mink fur valued at \$100 which she had lost over a year ago when she saw another woman wearing it, Mrs. O. L. Becker, 1923 Buchanan street, San Francisco, followed the woman to her home, carefully noted the address and then went to report the matter to the police. With Corporal Brock Mrs. Becker returned to the house, 4534 Grove street, where she found that Mrs. A. Bagnara was the owner of the fur.

"That is mine," declared Mrs. Becker. "I lost it a year ago in a nickelodeon at Fifty-first and Telegraph avenue."

"I brought this fur from Italy with me," responded Mrs. Bagnara. Mrs. Becker told where the name of the maker could be found on the fur and the transaction was completed on this basis.

## TROOPS DISPATCHED TO PACIFY INDIANS

ALBUQUERQUE, N. M., Nov. 24.—Traveling in a special train, four troops of the Twelfth United States Cavalry, accompanied by a detachment of the hospital corps and a commissary wagon train, passed through here this morning on the way to Gallup, where the troops will detain and march 100 miles overland to Shiprock, Agency, on the Navajo reservation, to quell an insubordinate uprising among the Indians there.

The troops are equipped to spend the entire winter on the reservation if necessary. It is believed, however, that peace quickly will be restored on the arrival of the cavalry. General Hugh L. Scott, ordered to the reservation by the War Department, reached Gallup yesterday, where he joined Deputy United States Marshal J. R. Galusha, and the two started overland by automobile for Shiprock, where General Scott will confer with Agent W. T. Shelton and map out a campaign for subduing the tenebrous band of Navajos encamped on Beautiful mountain.

For several weeks the Indians have defied the authorities to arrest several of their number on charges of bigamy, rioting and assault.

## BIG MINING CLAIMS GO BACK TO COUNTRY

OROVILLE, Nov. 24.—The North California Mining company, one of the largest concerns operating in the northern part of the state, through its attorney, L. N. Peter, has filed for record in the Recorder's office in Plumas county documents formally relinquishing and surrendering to the United States government its claims to over 100,000 acres of mining land situated in Plumas county.

The lands surrendered include a number of claims that are known as the "H. H. Yard claims." Former State Mineralogist Aubrey attacked Yard repeatedly, charging that he was trying to secure valuable timber lands for the company under the guise of mineral claims.

In relinquishing the lands the company states that it is in accordance with its policy to segregate its valuable and worthless mining holdings and give up the latter. In all there were over 300. The company also owns large holdings in Butte county.

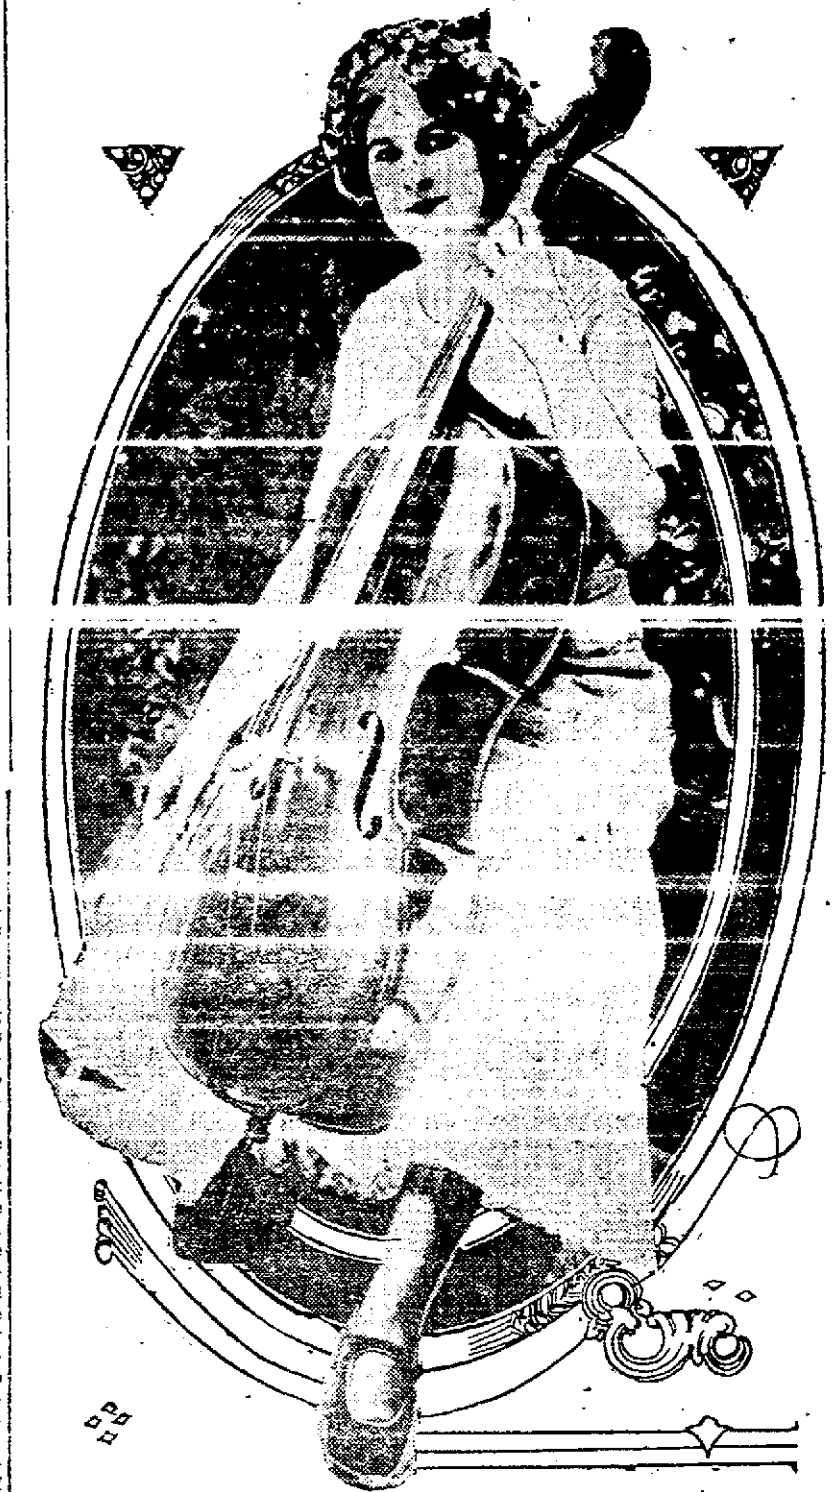

## GENERAL OFFICERS FOR ARTILLERY CONSIDERED

WASHINGTON, Nov. 24.—The War Department is considering the assignment of general officers to command the three coast artillery districts of the country. The North Atlantic with headquarters at Fort Totten, New York; the South Atlantic with headquarters at Charleston, S. C.; and the Pacific with headquarters at Fort Mifflin, Cal.

It is probable there will be assigned to these commands Brigadier-General Ramsey D. Fette, now commanding the Eighth Brigade, with headquarters at the Presidio of San Francisco, who was a field artillery officer when appointed to brigade rank, but who previously was a coast artillery officer; Brigadier-General John P. Wiser, a former coast artillery officer, now in command of the Fourth Brigade at Texas City, Texas; and Brigadier-General Charles F. Bailey, recently appointed from Colonel of the coast artillery corps.

**HOW TO BANKRUPT THE DOCTORS.**  
A prominent New York physician says: "If it were not for the thin stockings and thin soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effective and is pleasant and safe to take. For sale by Osgood Bros. Drug Stores.

## Saxophone Tango Music? Famous Six Say 'Yes, Sure'

MISS "SAXOPHONE" CURRY, ONE OF THE FAMOUS SIX.

Can tango music, belated of the Argentine, be played in a saxophone? No one thought it possible until a mere girl proved that it was more than that—that it was not only possible, but acceptable. Miss Curry, one of the famous six, noted musicians, appearing at the Orpheum, decided to try it. Miss Curry, like the rest of her talented relatives, plays anything from a piano to a tin whistle, and, say those who have heard her, "plays anything on anything." Cornets, bellows, guitar, piano—all under the entire samut from the tango to grand opera under her magic touch.

The Curry family, one of the most remarkable acts ever seen in vaudeville. Pretty girls play brass instruments, featuring their own improvisations, while their brothers, with violins and softer instruments, render obligatos. The act opened yesterday and will be seen all week.

## NOME REFUGEES ARRIVE ON REVENUE CUTTER

SEATTLE, Nov. 24.—The revenue cutter Bear, Captain J. B. Ballinger, arrived yesterday from Bering sea, bringing 37 destitute sufferers of the storm which destroyed part of Nome, Alaska, October 6. Before leaving Nome the Bear removed all the Eskimoes from the town to their homes, so they would not be a charge on the community during the long Arctic winter when Nome is shut off from communication with the outside world.

While in the north the Bear went to Point Barrow, the most northerly point of Alaska, and was the only vessel going into the Arctic this year that returned, all the trading and exploring schooners being held fast in the ice. The Bear was away seven days at Barrow and narrowly escaped destruction in the ice. She left Point Barrow for Nome August 18, sailing from Nome for Seattle November 3.

Captain Ballinger believes none of the men on the ice-bound vessels in the Arctic is in danger, as they can easily make their way to the native villages if the ice crushes their craft. Upon his arrival here Captain Ballinger was notified of his transfer to the Atlantic coast to take charge of the life-saving service in the New England district. Captain S. Cochran, now commanding the revenue cutter Thetis, will succeed Captain Ballinger as commander of the Bear. The change will be made December 10.

**FLOOD FEARED.**  
DALLAS, Tex., Nov. 24.—Heavy general rains over North Texas since Saturday have caused damage to property at several points and aroused apprehension of flood. At Abilene a large dam went out, and at Ballinger, where the precipitation was 4 inches, the power station was put out of commission and the pumping station flooded, cutting off the city's light and water supply.

## MRS. MARY AUSTIN TO EXPLOIT FAIR

**Novelist Accepts Appointment  
On Woman's Board Com-  
mittee of 1915 Exposition**

Mrs. Mary Austin, the distinguished novelist, has accepted an appointment as a member of the exploitation committee of the Woman's Board of the Panama-Pacific International Exposition, thereby becoming an associate director.

Her interest in the Exposition in general induced her to tender her best offices in the cause and to take up with the Woman's Board an active interest in solving the many problems which they stand sponsor.

Mrs. Austin left last Friday for New York to take her three months' leave from her present position. She was credited to tell the story of the co-operation of the California women in the active work of the Exposition and to enlist the

pect of the Exposition. Referring to her affiliation with the Exposition work, Mrs. Austin said: "Every woman will be the better for an active interest in the Exposition. I get my inspiration from contact with affairs. One never gets anything without working. Planning the end of a project, all the work need more than anything else is to get familiar with the processes of achievement. That they can get in taking part in the processes that are making the great Panama-Pacific International Exposition."

## M'CLAUGHRY NOW FACES NEW SUIT

**\$250,000 Action Is Brought  
Against Former Husband of  
Lucky Baldwin's Daughter.**

SAN FRANCISCO, Nov. 24.—Having just escaped from the long-drawn-out turmoil involved in the separation from his wife, Hull McLaughry, former husband of Anita Baldwin McLaughry, will again be plunged into litigation today, when he will be made the defendant in a \$250,000 suit to be filed in Sacramento by Mrs. Alice J. Violet and William J. Russell, his half-sister and half-brother.

The suit will be brought in the name of the estate of Mrs. Joseph McLaughry, his mother, to which Mrs. Violet and Russell are claimants and of which Mrs. Violet is the administratrix. Attorney C. C. Borton is counsel for the complainants.

The complainants are the son and daughter of Mrs. McLaughry, who died on October 7, 1911, by her first husband, Selah Russell, who died in 1892.

Russell left his widow a tract of land in the Sacramento valley known as the Russell ranch, which is valued at \$250,000, and this tract with another farm said to be worth \$50,000, forms the basis of the present suit.

Mrs. Violet and William H. Russell, who is manager of the Imperial Hotel at Stockton, charge that S. C. McLaughry, their mother's second husband, and his son, Hull, through fraud, coercion and misrepresentation, prejudiced their mother against them and induced her to deed to Hull McLaughry both tracts of land.

## WALKS THROUGH WINDOW IN HIS SLEEP; MAY DIE

SAN FRANCISCO, Nov. 24.—His rest disturbed by a horrible dream, H. Ribbing, an octogenarian, roused himself, dressed and walked out of the window of his room at 2744 1/2 Polson street, at 3 o'clock this morning. Ribbing had never walked in his sleep before, but was seized with a nightmare and believed he heard someone calling him. With his eyes tightly closed, he deliberately put on all his clothes, raised the window blind, dropped 30 feet to the sidewalk below. He was picked up by the driver of a bakery wagon, who saw him fall. He had struck on his feet and his left leg was broken in such a way that it will have to be amputated. At the Central Emergency hospital it was stated he has a very slight chance for recovery by reason of his 83 years.

## POLICE CHIEF JAILED AS HIGHWAY ROBBER

ST. LOUIS, Nov. 24.—Jack Moran, chief of police of Dupe, Illinois, was arrested on a warrant charging highway robbery and was locked up in his jail yesterday. So many of his friends visited him that the chief with tears in his eyes begged to be removed to some other jail. He was taken to Belleville, Ill., last night.

## FRESNOITE HELD UP IN SAN FRANCISCO

SAN FRANCISCO, Nov. 24.—Walter Washington, a jeweler of Fresno, fell into the hands of robbers while returning to the Carmel hotel, 128 Third street, at 2 o'clock this morning, and lost all of his valuables. Washington had come here to do some Christmas shopping. He completed most of his purchases on Saturday and contemplated returning home today. He spent the evening with friends and was walking along Third street when two men sprang at him. One held a revolver to his head while the other relieved him of \$70 in coin and two watches.

## CALIFORNIA QUARTET SINGS AT Y. M. C. A.

SAN FRANCISCO, Nov. 24.—The wind-emulating burglar attempted another raid this morning, but was frightened off before he could obtain much loot. With a coblesone strapped in an apron, he shattered the showcases in front of the Pacific States Electric Company, 875 Mission street. Two gold medals were the only articles taken. The noise of breaking glass was heard by a police officer, who arrived too late to capture the burglar.

## FOREMAN IS ARRESTED.

LIBBY, Mont., Nov. 24.—At the instance of two British Columbia detectives, Benjamin Blakely, foreman of a mine, was arrested here yesterday on a charge of murder alleged to have been committed at Lillooet, B. C., four years ago. Blakely is charged with having killed a man named Arch Hivern. It is alleged that a quarrel over a woman was the cause of the fatal shooting.

## KILLED IN MISHAP.

OROVILLE, Nov. 24.—Floyd A. Webster, the showman in front of the Electric railway, was killed last night when he was thrown from his motorcycle and hurled to the ground with great force.

# Thanksgiving Marketing

**THE** housewife who markets by telephone realizes the height of comfort and satisfaction. Crowded shops and other inconveniences are avoided by its use.

The up-to-the-minute store gives the same careful attention to telephone orders as that shown a customer at the counter.

Every merchant knows that this is the age of telephone buying—that telephone trade may be secured only by giving the best selections at the best prices and by delivering his goods with promptness.

#### INCREASED RATES WILL BE HEARING BASIS

WASHINGTON, Nov. 24.—The Interstate Commerce Commission will open a hearing on the proposed freight rate increases of approximately 5 per cent filed October 15 last by railroads in the territory east of the Mississippi and north of the Ohio and Potomac rivers.

Actually every railroad in the country is concerned for about the commission permit the roads applying to increase rates, the same authority might be extended to other carriers to increase rates on all classes of freight. The railroads asked two years ago for an increase of about 10 per cent. After an inquiry, the commission refused the request. When the tariffs providing for the present proposed increases were filed, to become effective November 15, they were suspended by the commission pending investigation until March 12, 1914.

In May, 1913, the railroads involved filed a petition for a rehearing of the former freight rate case, and the commission on June 21 last issued an order directing that inquiry be instituted as to whether the present rates of transportation valid adequate recompense to common carriers by railroads operating in official classification territory and, if not, what general carriers might pursue to meet the situation. It was ordered that opportunity be afforded to interstate carriers and the public generally to present facts and arguments as they might desire.

Daniel Willard, president of the Baltimore and Ohio railroad and chairman of the committee of railroad presidents chosen by the Eastern railroads to appear for them in the premises, Frederic A. Delano of Chicago, president of the Western railroad and representing the Central Freight Association lines, and George Stuart Patterson, general solicitor of the Pennsylvania railroad, will present tomorrow their arguments to the commission in support of the proposed tariff increases.

#### ORIGINAL "MARY" HAS ONE AGED RELATIVE

LANCASTER, Mass., Nov. 24.—Richard K. Powers, who lays claim to close relationship with "Mary," who, with her little lamb, is the heroine of a nursery rhyme, has celebrated his one hundred and third birthday here.

"Mary," whose full name was Mary Sawyer, he asserts, was a cousin of his.

The Sawyer farm in March, 1814.

#### PASSENGERS HURT BY A BARBED-WIRE-FENCE

OROVILLE, Nov. 24.—The Comptonville stage met with a serious accident yesterday afternoon when, on coming down a steep grade into what is known as the Chinese gardens, the horses took fright and dashed over the grade. It turned over twice and finally landed at the bottom of the grade in a barbed-wire fence.

The driver and three passengers were thrown headlong into the wire and received cuts and bruises. None of them is seriously hurt. Two of the horses became entangled in the fence. The animals, powerless to help themselves, slowly bled to death. Just what the horses became frightened at is not known.

#### UNCLE SAM TO INQUIRE INTO COLD STORAGE

WASHINGTON, Nov. 24.—There will be an investigation of the alleged combination of cold storage concerns, which Attorney-General McKeen says may be responsible for the high price of eggs and other products. If a combination is discovered criminal prosecution may result.

#### SALOON ROBBED.

SAN FRANCISCO, Nov. 24.—The saloon of Austin O'Brien, 71 Stuart street, was broken into some time after midnight and \$4 taken from the cash register.

"The difference between the clerk who spends all of his salary and the clerk who saves part of it is the difference—in 10 years—between the owner of a business and the man out of a job."—JOHN WANAMAKER.

## WILL DISCUSS RIVERS AND HARBORS

Annual Convention to Attempt Solution of Economic Problems Presented.

Will Seek Eradication of Terminal Congestion and Vexatious Delays.

WASHINGTON, Nov. 24.—According to reports of the department of agriculture the value of farm products for the present year will run be-

the carriage of these foodstuffs to market, and the return of the manufactured products for which they will be exchanged, will tax the ability of the railroads to the limit, causing car shortage, terminal congestion and vexatious delays. The improvement of the rivers and the Continental United States becomes at once one of the most serious problems with which the government is faced.

Just what should be done toward a solution of this fundamental economic problem will be one of the things which the tenth annual convention of the national rivers and harbors congress, which meets in this city December 3, 4 and 5 next, will endeavor to show. But how best to make the rivers do their share of transportation is not the only question that will occupy the time of the congress. There are other and equally vital subjects that will be considered during its three days' session. For diversity of subjects and the cosmopolitan character of those who will address the delegates the meeting of the national rivers and harbors congress next month gives promise of far exceeding any previous convention in the history of the organization.

Probably the one utterance that will be awaited with the liveliest possible interest is the one which will show the position that President Woodrow Wilson will take regarding a liberal policy of river and harbor development. As Governor of New Jersey the President early became interested in the project for a ship canal across the state connecting the Delaware river with Raritan bay, or Newark bay, but his position on the improvement of the internal waters of the country is yet to be defined. It may also be expected that Secretary of War Garrison will outline the position of the administration on the government of the Panama canal zone and free tolls for coastwise commerce, in the event the President does not touch upon these questions in his annual message to congress, which will be delivered on the day previous to the meeting of the waterways convention.

Foreign governments will be represented on the program by his excellency D. da Gama, ambassador from Brazil, and Hon. John D. Hazen, minister of marine and fisheries, Ottawa, Canada.

## PLUNGES DOWN ELEVATOR SHAFT

San Franciscan Fatally Injured in Mishap

SAN FRANCISCO, Nov. 24.—C. A. Meyerhofer, a salesman for the White Sewing Machine Company and prominent in several fraternal organizations, was fatally injured this morning by falling down an elevator shaft.

Arriving at his office, 971 Market street, Meyerhofer found the door locked. He went to the rear entrance on Stevenson street, hoping to be able to reach the upper floor through the premises of the White Sewing Machine Company. It is supposed that he was unfamiliar with the place and walked into the open elevator shaft. He fell head foremost and his skull was badly crushed against the stone floor of the basement.

At the Central Emergency hospital, where he was removed a casualty, operation was the only chance of saving his life. Meyerhofer is about 40 years old, resides at the Hotel Oxford and is unmarried. He belongs to the Elks, Foresters and Eagles lodges.

## MAYOR-ELECT OF N. Y. ENJOYS TRIP

NEW YORK, Nov. 24.—The vacation side of John Purroy Mitchell, the young mayor-elect of New York City, is turned to the light in interesting reports of his present trip to Panama. He introduced a novelty for pasture aboard ship on his way through the Caribbean sea by getting out his favorite gun and shooting at porpoises and flying fish. Despite the huge seas and the rolling ship, he often hit his mark.

He surprised some of his land-lubber companions with his knowledge of navigation, for he laid out the steamship's course, fired her position with the aid of a good sun and a sextant and adjusted the compass. He was able to call all the lights in the Caribbean sea, from Watling's island to Port Royal, without assistance from any one. It is also reported that he has become adept in turkey trotting at sea.

The mayor-elect's health is said to have been somewhat impaired as the result of a strenuous political campaign this fall, but he has regained all that he lost and declares himself fit to go about the most arduous of jobs, his administration soon after he returns to New York on December 9.

The reports that he considered Captain Charles W. Barber, chief of the canal zone police force, for appointment to the office of police commissioner here are flatly denied by the mayor-elect in advices from Panama.

## BARGE AND FISHBOAT WRECKED; CREWS SAVED

CHARLEVOIX, Mich., Nov. 24.—The barge Snowdon and the fishboat Arbutus were wrecked yesterday in a short distance north of this place. The crews were rescued by life-savers, but the vessels probably will be pounded to pieces on the rocks.

## NEW STEAMER TO SOON BE BUILT

Luckenbach Firm to Have First Vessel Registered From Oakland.

Will Carry Freight and Passengers; Pioneer of Coming Fleet.

Volkert O. Lawrence, owner of the Standard and Adams Wharf warehouses, and local representative of the Luckenbach Steamship Company, has plans under way to build a new steamer, which will in all probability become a reality by spring. It is Lawrence's plan to construct a vessel which will carry freight during the week days, while on Sundays and holidays the craft will be devoted to carrying passengers and automobilists between here and San Rafael and Sausalito. Lawrence has already had plans for the craft drawn up by marine engineers and it is expected to begin the construction to a local concern. The vessel will be the first vessel of any size to be registered from Oakland.

Lawrence's move will in all probability be followed by other owners, and Oakland will soon become a regular registration port. "I expect to have the boat in operation by spring," said Lawrence this morning. "I have watched with considerable interest the progress on the Oakland waterfront and believe that this section of the bay will without doubt gather in a majority of the trade to come with the opening of the canal. I will employ 24 men on the vessel, and will keep it in operation day and night."

The vessel is 150 feet in length, with a 32-foot beam. It will be operated by internal explosion engines of the Diesel type.

## EXPOSITION FERRY TO BE DISCUSSED

With several railroad and ferry experts in attendance, the committee of the Commercial Club formed to promote a ferry direct from Oakland to the Panama-Pacific Exposition in 1915 will meet late this afternoon at the Commercial Club to perfect plans for the work. It is declared that fair officials have already been asked to aid in the matter, and have expressed themselves as in favor of the project.

At the cross to attend the session are E. L. Lomax and C. M. Levey representing the Western Pacific Railway; Charles S. Fee and E. L. McCormick, representing the Southern Pacific; W. A. Bissell and W. R. Alberger, representing the San Francisco-Oakland Ferry Company; E. E. Meritt and A. J. McQuinn, representing the Exposition; J. H. King, Joseph E. Caine, W. W. Keith, O. E. Hottel, L. Richardson, D. E. Perkins, John F. Connors, Dr. George C. Pardee, H. C. Capwell, Ben F. Woolner, C. F. Gorman, J. P. Carlisle, R. W. Fitzgerald, W. E. Townsend, J. E. Gosselin, and Frank K. Mott, Charles Snook, W. W. Garthwaite and Harmon Bell, president of the Commercial Club.

## R. R. MEN TO HEAR OF DEPOT PROJECT

To further outline plans for the proposed station which may be erected at Fourteenth and Franklin streets, the union depot committee of the Chamber of Commerce, presided over by Victor Metcalf, will meet in the Chamber of Commerce Building tomorrow afternoon at 2 o'clock. Secretary A. A. Denison of the Chamber of Commerce, who arrived today from Marquette, will make a full report of his work in the matter and the result of several conferences with the city authorities and railway officials will be gone into.

It is not expected that any definite action, save in the way of calling larger conferences will be taken. It is expected to call a meeting with railway men and to lay before them the entire project in its completed form. The date for the meeting will probably be set tomorrow.

## \$650,000 Necklace Thieves Sentenced

LONDON, Nov. 24.—Sentence was pronounced at the Old Bailey today on four prisoners charged with stealing and receiving the pearl necklace valued at \$650,000, which disappeared during transit by registered mail from Paris to London on July 16, but was afterwards found lying on a sidewalk in London with only one or two pearls missing. The accused were arrested on September 2 while negotiating the sale of the pearls and Gizard were condemned to seven years penal servitude each. Suberman to five years, and Gutzworth to 18 months at hard labor.

## CITRUS MEN INSIST ON ICING FRUIT CARS

WASHINGTON, Nov. 24.—Contentions of the growers that transcontinental railroads should be required to allow citrus fruit producers to pre-ice cars coming east were set forth by counsel for California fruit growers in a brief filed today in the Supreme Court. A week from today the court is to listen to oral arguments on whether an order of the Interstate Commerce Commission directing the railroads to grant that privilege to fruit growers is valid.

The fruit growers contend that the cooling of cars previous to the shipments were not incident to the transportation, but mere preparation for transportation.

CURED OF LIVER COMPLAINT.

says Iva Smith of Point Blank, Texas, and decided to try a 25-cent box of Chamberlain's Tablets. I am happy to say that I am completely cured and can recommend them to every one." For sale by Coughs Bros. Drug Store.

# NOW 85 CENTS!

Most any retailer will now sell you **WRIGLEY'S SPEARMINT** by the box for 85 Cents!

This famous confection that's liked everywhere—that's constant delicious and inexpensive aid to teeth, breath, appetite and digestion—is now selling for less than a cent a stick—by the box! Take it home tonight!

It's clean, pure, healthful if it's Wrigley's

**CAUTION!**

The great popularity of the clean, pure, healthful **WRIGLEY'S SPEARMINT** is causing unscrupulous persons to wrap rank imitations that are not even real chewing gum so they resemble genuine **WRIGLEY'S**. The better class of stores will not try to fool you with these imitations. They will be offered to you principally by street fakirs, peddlers and the candy departments of some 5 and 10 cent stores. These rank imitations cost dealers one cent a package or even less and are sold to careless people for almost any price. If you want **Wrigley's** look before you buy. **Get what you pay for. Be SURE it's WRIGLEY'S.**

We are inserting the above caution solely to protect our customers, who are continually writing us that they have been deceived by imitations which they purchased thinking they were WRIGLEY'S.

### PAPE'S! BREAKS A COLD AT ONCE

Don't Stay Stuffed Up! End Grippe Misery With Pape's Cold Compound.

Relief comes instantly. A dose taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharges, or nose running, relieves sick headache, dizziness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed up! Quit blowing and sniffing! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.

### ASKS WAY; GETS BLACKJACK BLOW

Mannuel Pacheco Santos' ignorance of Oakland streets and cars cost him a split head and \$25 in small change late yesterday afternoon. Santos, whose home is in Hayward, visited his father, Antonio Santos, at 214 Lewis street yesterday. He left to take a car for Hayward late in the afternoon.

In transferring from one car to another, he took the wrong car. He alighted at Fourteenth street and Broadway, and accosted a tall, dark stranger, asking to be directed to a car of the Hayward line. The stranger was affable and led him to Fifth and Clay streets, where he struck him over the head with a blackjack and relieved him of his money.

Santos reported the robbery to the police.

### PIONEER FRESNO VINEYARDIST DIES

BERKELEY, Nov. 24.—Edward Kennedy, pioneer vineyardist and merchant tailor of San Francisco, died at his home, 2509 Stuart street, Berkeley, early yesterday morning from the infirmities of old age. Kennedy was 56 years of age and was born in Troy, New York. He crossed the plains when he was 25 years of age and settled in San Francisco, where he was one of the firm of Kennedy & Monell, men and tailors in the old Steensou Building. Twenty-seven years ago he went to Fresno and engaged in the vineyard business, owning the ranch next to that of Colonel William Forsyth. Five years ago he came to Berkeley to make his home, where he has resided since then in Stuart street. The decedent was survived by his wife, Judith Kennedy, a daughter, Miss Helen W. Kennedy, and a son, W. C. Kennedy of Fresno. Private funeral services will be held at the family home in Berkeley tomorrow morning and at 12:30 the regular funeral will be held at Cypress Lawn Cemetery. Rev. Robert L. Lynch will conduct the funeral services.

### MRS. PANKHURST TO BE DEFENDED

LONDON, Nov. 24.—In a brilliant speech delivered at the weekly meeting today of the Women's Social and Political Union, Mrs. Dora Fox warned the government that if the police attempted to arrest Mrs. Emmeline Pankhurst when she lands in England on her arrival from the United States, they would have their hands full. A bodyguard has already been formed for Mrs. Pankhurst, she said.

"My General Mrs. Pankhurst," she said, "is a woman of force and will be sufficient to oppose effectively any physical violence attempted by the police. If bloodshed is used, the bodyguard will have means to defend itself."

### MRS. SEYD HAVENS MAY SUE FOR A DIVORCE

It was again said yesterday that Mrs. Seyd Havens, daughter-in-law of F. C. Havens, the Oakland millionaire, contemplates filing suit for divorce against young Seyd Havens in eight months, as soon as the time has passed to allow her to file a charge of desertion. The story has been extant for some time.

Mrs. Havens has discussed her contemplated action with her cousin, Miss Marguerite Ogden, an Oakland society girl and attorney, planning to let Miss Ogden handle the case when it gets to court.

### YOUNG WIFE IN SUICIDE ATTEMPT

Leaving notes containing terms of engagement to her husband, Mrs. Marguerite Brazzo, the pretty young wife of Antonio Brazzo from whom she has been separated for several weeks, attempted suicide yesterday afternoon by drinking a quantity of "arsenic." She was found in pain by Samuel Migliaccio, her landlord, and rushed to the Emergency Hospital, where prompt application of the stomach pump saved her life.

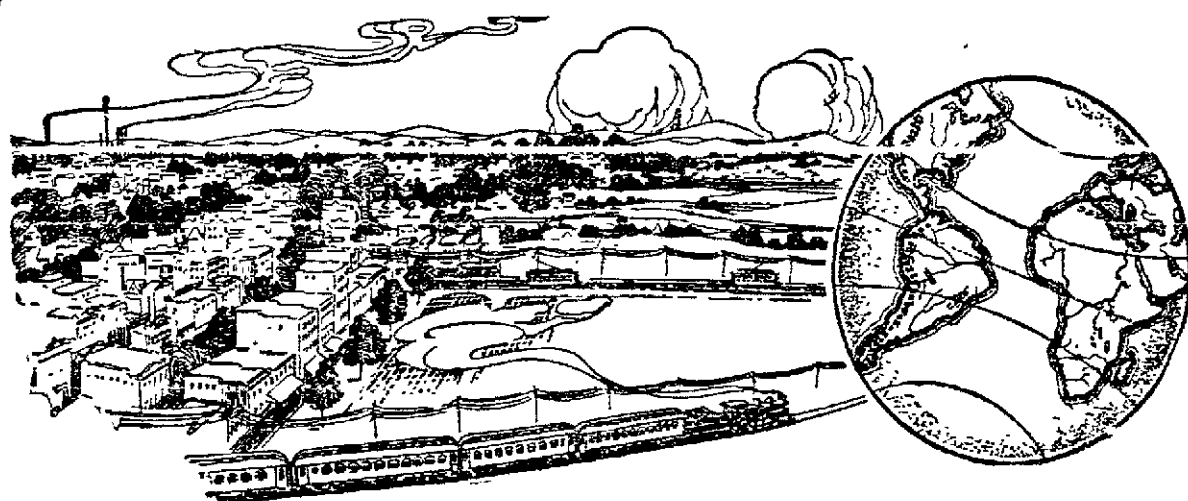

When Mrs. Brazzo left home she took with her a 3-year-old daughter. She obtained employment as a domestic. It is said that a subsequent quarrel with Thomas Lazene, a friend, together with sorrow over her estrangement from her husband, caused her to make the attempt upon her life.

"Love, I send you this letter," she wrote, "I am to blame. I am tired of living, that's why—Marguerite."

In a second letter she wrote: "I am what you said to me. I kiss you for the last time—Marguerite." A third letter written to a relative in Italy was sealed.

### FORBES ROBERTSON'S SISTER IMPRISONED

BIRMINGHAM, Eng., Nov. 24.—Miss Forbes Robertson, sister of Sir Johnston Forbes Robertson, the actor-manager, was sentenced today at the sessions here to a fortnight's imprisonment for smashing a window on the occasion of Premier Asquith's visit to Birmingham in July. The judge offered the defendant the alternative of a fine, but she declined to pay.

## Reach the World by the Bell System

IN these days of enlightenment, each progressive community welcomes every means of communication with its neighbors.

The moat, the draw-bridge and the outer-wall have been swept away and replaced by highways and railroads extending in every direction.

The Bell Telephone system is the greatest neighbor-maker. It not only promotes social and business intercourse in each community, but extends that activity far beyond its borders.

City boundaries and state lines are no barriers to inter-communication in the Bell system, which includes more than 7,500,000 telephones, each one a Long Distance station, and over 12,000,000 miles of telephone highways reaching over 70,000 communities.

Every Bell Telephone is a Long Distance Station

MISS ETHEL PRATT, WHO IS ACTIVE IN THE SOCIAL LIFE OF THE YOUNGER GIRLS.—Hartsook Photo

**C**ARDS have been issued by Mrs. T. B. Luman for a card party at her home in Alameda the first week in December.

**H**OSTESS AT DANCING PARTY. The home of Mr. and Mrs. George C. Frank in Radway avenue was the scene of a merry dancing party when more than fifty guests were present for the evening and dancing was the principal diversion. A delectable buffet supper was served to the guests during the evening.

**G**UESTS AT LUNCHEON. Mrs. Dr. De Faria entertained with a luncheon at her home across the bay, whilst being the diversion of the afternoon. Mrs. A. Soares was awarded the first prize, while the second was given to Mrs. Otto Ruttler. Key was the color scheme used in the appointments of the luncheon table, capote, and hot berries being used. Among those present were Mrs. E. Katz, Mrs. M. Kune, Mrs. M. Peterson, Mrs. E. Noddeman, Mrs. A. Soares, Mrs. C. Steinbock, Mrs. M. Kune, Mrs. J. Church and Mrs. Julia Hess.

**MISS RICHARDSON ENGAGED.** Another of our local girls who will soon make her home in Sacramento is Miss Dorothy Richardson, who is to wed John Richardson. She is a graduate of Columbia University, where she was a member of the Phi Kappa Phi Honor Society. The announcement of the betrothal was made at a tea at which Mrs. Shirley Walker was hostess.

**WEDDING ANNOUNCEMENT.** Gates have been given to the wedding of Miss Elizabeth Spencer and Raymond Spencer, which took place last week. The bride is the daughter of Mr. and Mrs. Eugene Spencer of Santa Barbara. She is a graduate of Columbia University, where she was a member of the Phi Kappa Phi Honor Society. The announcement of the betrothal was made at a tea at which Mrs. Shirley Walker was hostess.

**RETURN FROM EUROPE.** Miss Ruth and Mrs. Margaret Robertson with their father, Dr. John Robertson have returned from an extended tour of Europe, and are now residing at the old Fenmore home in Piedmont avenue and Channing way, which Dr. Robertson has purchased recently.

**TO WINTER HERE.** Miss Eliza McMillan is dividing her time with her grandmother, Mrs. John C. McMillan at the home of Mrs. William H. P. Spencer of Walnut Creek.

**TO ENTERTAIN IN NEW HOME.** Miss Eliza McMillan is dividing her time with her grandmother, Mrs. John C. McMillan at the home of Mrs. William H. P. Spencer of Walnut Creek.

**HOUSTESS AT THE DANCING.** Mrs. Herbert Hamilton Brown was one of the charming hostesses this afternoon at a social hour at the home of Mrs. William H. P. Spencer of Walnut Creek.

**ENTERTAINS WITH DANCING PARTY.** In honor of his cousin, Miss Florence Fleming of Great Falls, Mont., Louis C. Fleming entertained with a dancing party at his home in Dana street, Berkeley, Friday evening. The house was prettily decorated with ferns and cut flowers and about three score guests were present to the present that evening. Dancing was the principal diversion of the evening. At the close a delectable supper was served to the guests.

**PIEDMONT MUSICAL CLUB MEETS.** More than sixty members of the Piedmont Musical Club met this afternoon for a social hour at the home of Mrs. William H. P. Spencer of Walnut Creek.

**TO WINTER AT THE FAIRMONT.** Among those who will close their home for the winter on this side of the bay are Mr. and Mrs. Frederick Van Sickle and Miss Hilda Van Sickle, who have taken apartments at the Fairmont Hotel in San Francisco for the winter season. The spacious home in Alameda will be closed until the late spring.

**ENGAGEMENT ANNOUNCEMENT.** Cards have been sent out announcing the betrothal of Miss Edith Pratt to Charles C. Pratt, at her home, A. Drake.

## CLEANLINESS

By LILLIAN RUSSELL

(Copyright, 1913, By Lillian Russell.)

**T**HAT "cleanliness is next to godliness" has long been a household proverb, and that many other duties connected with the toilet are subordinate only to personal cleanliness will, I think, be readily admitted. The choice and use of appropriate clothing, both as ornamental and protective covering for the body, are also matters of equal importance.

At the present day a due attention to the requirements and necessary routine of daily life, apart from health and comfort, our social position, our welfare, and advancement often materially depend on these points, and are in the hands of the individual, unaided by their neglect, a pleasing appearance is the first letter of recommendation.

Happily, the Creator in His wisdom has endowed man with an instinctive love of cleanliness, and his bosom a feeling of self-pride, or rather self-respect, which when controlled by reason and good taste, inclines him to laudable but not excessive desire for personal beauty.

The relation between health and personal beauty, as between cause and effect, are commonly forgotten. Present conveniences and present appearances are the result of those habits which the health and fair looks of after-life are commonly sacrificed by the multitude.

"Familiarity breeds contempt" of duties, as it frequently does of men. The necessity of constant repetition and frequent attention, instead of leading to greater skill and care, has often a contrary effect. Of the truth of this remark there are thousands of living illustrations in every direction. Premature baldness, gray hair, pallid cheeks, emaciated bodies and obesity, produced by no unavoidable diseases, are now so common in our cities as to no longer attract attention.

Remember! Beauty is a collection of qualities that not only please the senses but delight the mind.

### Answers to Queries

**MISS S. R.**—I will be glad to send you a skin food and full instructions for facial massage for wrinkles and flabby flesh if you will write me again for them, enclosing a stamped, self-addressed envelope.

**W. R. W.**—I am sure that I don't know what to advise you in regard to your face. It must be caused by nervousness, and that is something you must overcome yourself. Try taking long breaths and do not think about yourself. Keep your mind on outside things and I think you will find this will help you.

**MISS ETHEL W.**—I cannot answer as many questions as you ask in the columns of THE TRIBUNE and you did not enclose a stamped envelope for reply. I will be glad to help you if you will write me again, enclosing a stamped, self-addressed envelope for reply and asking again the questions you desired answered.

**MISS J. C.**—The falling of the arch of the foot is caused usually by shoes which are not shaped for the wearer's foot. The arch of the foot is pressed down and the muscles give way or weaken, causing an only intense pain but sometimes cause headaches, backaches or troubles of the sight. I advise you to get a pair of arch supporters and wear them. They will support the arch of your foot.

**D. H.**—I would advise you to massage your daughter's face each night with a good skin food. This will keep the skin soft. I shall be glad to send you the formula for such a skin as you describe water is like poison. You should use water on her face and cheeks but seldom. You can cleanse her face with grease, using sweet oil, which is as good as anything. Once a day, she should use pieces of absorbent cotton, and after you have done that wipe it off with a fresh piece of the cotton. She should not have a bath oftener than twice a week. And after she has been washed with water and soap she should be rinsed with bran water. You put a quart of bran in a cheese cloth bag, let it soak in the small bath tub, squeezing the bag until the starch, milky water no longer comes out of it. Before she is dry rub her with the oil soap. In this way you can cure her. Be careful to use always a good quality soap.

**B. B.**—For thin arms gentle massage with cocoa butter will be found helpful. Anoint the palm of the hand with the cocoa butter and gently but thoroughly knead the flesh from wrist to elbow, working in the cocoa butter until perfectly smooth. A good exercise for thin forearms is to lie on your back on the floor and extend your arms to the right and left on a line with your shoulders and open and close the fists from fifteen to twenty times, spreading the fingers wide.

**BERTIE.**—There is nothing prettier than white hair when it is white, and nothing uglier than white hair streaked with yellow. Use a shampoo made of green soap and rinse the hair thoroughly for if one wants to have pretty hair she must get all of the soap out of it. In the last rinsing water add a few drops of bluing. This will make your hair white. If you will send me a stamped addressed envelope I shall be happy to send you instructions for using the green soap treatment.

**Standard Oil Company,** with headquarters at Taft, where the young couple will reside following their wedding in the early spring.

**TO ENTERTAIN FOR BRIDE-ELECT.** Tomorrow afternoon Miss Edith Pratt is to be the honored guest of Mrs. Charles C. Pratt, at her home, A. Drake.

her bridal party, to be followed by an afternoon at bridge. Among those who have been asked to attend are Miss Lillian Russell, Miss Beattie Bradwell, Mrs. Albert Kippenger, Miss Mabel Gustafson, Miss Neville Stevenson and Miss Edith Pratt.

Repeat this exercise but turn the palms down each time the hands are opened, backs of the hands down when the fists are closed. If these movements are practiced every day for a month you will be delighted with the results. The best time for physical culture work is just before breakfast.

**MRS. J. K.**—It is too bad to see a pretty girl distort her face by crude habits of the mouth. Some girls bite the inside of their cheeks, some tighten the lips and compress them until they are thin and unpleasant to look at, but the worst habit is biting the lips, whether from nervousness or a desire to reddens them.

**ANXIOUS.**—You should try to learn what is causing the puffiness of the lower lids and try to correct the cause. Late hours, kidney trouble, or poor circulation might cause this condition. Bathe with warm water and then massage under the eyes with any good massage cream. I am sending you a formula for an excellent eye wash with a set of exercises for strengthening the eyes.

**MRS. T. V.**—There is one woman of my acquaintance who has beautiful white hands. When I asked her the secret she confessed to me that she used nothing but soap cream to soften them. Her plan is to put a saucer full of cream on a shelf until it is sour and thick. She then uses it just as she would cold cream or a lotion, rubbing it into the hands for fully ten minutes. She then washes her hands with warm water and casts soap until perfectly free from the cream, then bathes them in cold water and dries them thoroughly. There is great importance in drying the hands thoroughly, rubbing the fingers separately round and round. Much chapping of the skin is due to letting the hands go undried. Take time and patience to do everything thoroughly even to drying the hands. Surely my friend's hands paid her for her care and trouble, for although she is a woman who does much work, her hands are really beautiful.

**P. T. W.**—Blackheads can be removed if you are persistent in your treatment. They should not be forced out of the skin, but must be coaxed out, and you can only do this by keeping the skin perfectly clean. If you will send me a stamped addressed envelope I shall be happy to send you instructions for using the green soap treatment.

**DERANGED WOMAN SHOOT UP HOUSE.** SAN FRANCISCO, Nov. 24.—While laboring under the hallucination that she was being pursued by foes who wanted to strangle her, Mrs. Lella Kervin, sister-in-law of Dr. T. A. Williams of Pasadena, early yesterday morning seized a revolver and fired a half-dozen shots that sent the roomers of her house at 718 Grove street panic-stricken into the street. Among the fleeing Frank Payne, her mother, and two children. The police station succeeded in restraining the woman and sent her to the Detention Hospital, where she is held for observation.

**SYLVIA PANKHURST IS NERVOUS AT MEETING.** LONDON, Nov. 24.—Supported by a large force of her "people's army," Miss Sylvia Pankhurst addressed a meeting of the "Women's Social and Political Union" yesterday afternoon and then marched under the escort of her army from the hall to her residence. Throughout the meeting Miss Pankhurst looked nervously alert, clutching at her chair at the slightest noise.

**STAGE AND PEEAGE MATCH.** LONDON, Nov. 24.—Another matrimonial match was made at the stage and pittance match, which was held at the Theatre Royal, Drury Lane, last night.

**TOLD OF PROPOSAL.** "Dear Miss Blake: After having helped so many in love affairs I will now come to you for help. I proposed to a nice young brunette of 17 a few weeks ago whom I deeply love and I think she loved me also, until she heard that I had married a man."

**THE SIMPLEST, QUICKEST AND BEST WAY OF MAKING THE MOST DELICIOUS BOULLETS.** All you have to do is to add hot water and serve. ARMOURS BOULLETS come in a box and chicken flavor already seasoned.

## Egg Boycott by Nation's Women Spreads Housewife's League Is Forcing Action

Membership Said to Be 700,000; Fight Is On.

**N**early 700,000 women in the United States are members of the Housewives' League, a national organization which is forcing action against the egg boycott.

The situation in the egg market was described in the "Egg" as "acute and chaotic." The consumers were being exploited, it was asserted, and they were asked to cease using eggs until conditions change. The message was signed by Jennie Dewar, Health, national president, and Agnes R. Griffin, national secretary.

### SANTA CLARA WOMEN WORKING FOR FAIR

SAN FRANCISCO, Nov. 24.—Santa Clara county has taken the first definite step in exposition organizations. Mrs. E. O. Hayes of San Jose, who has assumed the responsibilities of county chairman, met Mrs. F. G. Sanborn, president of the women's board, and Mrs. E. S. Simson, chairman of the exposition committee, last Friday, forming an enthusiastic organization there, with Mrs. E. S. Simson as sub-chairman.

Previous to the general meeting, which was held in the Presbyterian church, Mrs. Karna entertained thirty-two members of her exposition committee at luncheon at her residence on Channing road.

The organization of Palo Alto will include an exposition auxiliary at Leland Stanford University.

### ORGANIZE TO SUPPRESS TOO MUCH KISSING

CLEVELAND, Nov. 24.—An organization for the suppression of promiscuous kissing, composed of young and pretty girls, has been formed in Cleveland. A few nights ago a number of swains found this legend conspicuously displayed when they called on the members.

"Kiss me and meet your doom!"

An epidemic of such kisses means fate, and the boys were curious. They received jolts something akin to the following:

"We shouldn't squander our kisses," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

"Kisses are the life of the party," said Miss Myrtle Lazaroff.

## Young Man Caller

By DORIS BLAKE.

**"H**OW shall I entertain young men when they call?"

peatedly.

"Treat your men friends in the same unaffected manner that you treat your girl friends when they call," is the advice a mother of two popular girls gave them when the question of men calling first came into their lives.

"Men are interested in girls not with a view to matrimony, but because they find them congenial companions."

"Don't be afraid that the presence of a young man or sister will prove a handicap. No girl is so wise that she does not need the advice of those near and dear to her in the choice of her companions."

The presence of a parent will show the young man that you demand respect from him. And a friendship to be enduring must be formed on this basis of respect.

Men are susceptible to flattery, and intelligent listening is the highest form of flattery.

So encourage your boy friends to talk of the things that interest them. If you do not understand the technicalities of football or baseball or carbores or gasoline engines, or whatever else may engage the young man's attention, give him a chance to explain them, and at the same time to display his knowledge.

If you want to be popular you may have opinions, but don't aim them in the presence of a man unless they coincide with his.

**CANNOT DECIDE WHICH.** "Miss Doris Blake, care of Oakland Tribune: I am a young man of 21 years, deeply troubled as to which of two girls I shall give my preference. One is 19 and one 17, the younger's taste being much more the same as mine, shall I wait for one to get a little older or choose the older one?"

**CHEER.** It seems to me that you are rather young to think of marrying and the girls surely are. If you are really in love your heart will tell you which one to choose for your life's partner.

**TOLD OF PROPOSAL.** "Dear Miss Blake: After having helped so many in love affairs I will now come to you for help. I proposed to a nice young brunette of 17 a few weeks ago whom I deeply love and I think she loved me also, until she heard that I had married a man."

## The Changing Age

Girls and boys from 14 to 19 years of age undergo physical changes which tax their strength to the utmost and the strain is always apparent from pale cheeks, colorless lips, and tired bodies—sometimes eruptions of the skin and the utter lack of the ambition and animation with which their younger years were filled.

Budding into womanhood and manhood, with the duties of school or business, the strain is always apparent from pale cheeks, colorless lips, and tired bodies—sometimes eruptions of the skin and the utter lack of the ambition and animation with which their younger years were filled.

## FICKERT HOTLY SCORES JUDGE DUNNE

### LA FOLLETTE SAYS LOBBY IS ACTIVE IS ACTIVE

#### Seamen's Bill Declared to Be Object of In- terests' Attack

#### Senator Says Measure Will Break Shackles of Slavery

MADISON, Wis., Nov. 24.—"There is gathering the biggest and most corrupt lobby to defeat the seamen's bill that has been in Washington for years."

This was Senator La Follette's comment here today in discussing the fight being made to pass that measure. When the bill came up in the Senate, La Follette introduced a substitute that finally passed by a large vote, and that is the bill which it is expected will pass the House early in the next session.

"For years men have been in slavery, and this seamen's bill will break the shackles. The lobby will attempt to defeat it. Those who run excursions in rotten hulks that drown people by the hundreds, the men who have life-rafts on their boats that sink people rather than float them, will be in the force—the Morgan interests and all—to defeat this bill," said Senator La Follette.

BOOTH NOT TO BE TRANSFERRED. NEW YORK, Nov. 24.—Denial was made today at Salvation Army headquarters of the report that Miss Eva Booth, commander of the army in this country, was to be transferred to England.

### PLAYS 'INNER STUDIES' AS 'DEPRAVED'

CHICAGO, Nov. 24.—After describing the "Inner Studies" as neither a religious book nor a treatise on sex hygiene, but the product of a depraved mind, Walter Kimball, assistant United States district attorney, told a jury in Judge Mack's court today that he would read the book in court.

"Inner Studies" was written by Ottoman Zar Adusht Hanish, head of the Mazdaznan cult, said to have a membership of 14,000 persons. The author is charged with violating the interstate commerce law in having sent the book by express from Chicago to Miss Julia B. Gardner of Brookfield, Mo.

### Victim of Vendetta Refuses Information

CHICAGO, Nov. 24.—John Bataglia, fatally stabbed last night in a vendetta outbreak in the North Side district known as "Little Italy," regained consciousness this morning, but declined to tell the names of his assailants to the police.

"It is our affair; we will take care of them," he said. He was stabbed in eleven different places.

### Pope Grants Blue Jackets Audience

ROME, Nov. 24.—The Pope continues daily his audience of blue-jackets from the American warships in European waters. A party of 20 of the crew of the battleship Arkansas was received at the Vatican today.

### EMPLOYEES OF CITY MAY BE INSURED

#### Oakland Officials Considering Necessity of Innovation Under Liability Act.

#### May Embrace All Engaged in Hazardous Work of Muni- cipal Departments.

Insurance of all municipal employees engaged in hazardous work under the theory that the new employers' liability act will apply to municipal corporations, is being considered by the Oakland city officials, and may mean a radical innovation in municipal affairs. It is possible that all city employees who have dangerous work will be insured in some big insurance company. If the plan now under consideration is carried out, and that the insurance premiums will be paid from a special fund to be created by the city council.

Oakland plans to take the lead in the matter, but it is possible that all cities will be forced to insure firemen, policemen, engineers, employees on the municipal dredger, chauffeurs, electricians and others. The new employers' liability act provides that the families of men employed in occupations dangerous to life shall be protected, and only recently the United Railroads in San Francisco put through a deal with a big company insuring lives of all its men for \$500 each, there being about 7000 employees. The corporation experts figured that it was cheaper to take out insurance in this matter than to open the insurance as a fund in the maintenance expenses of the concern.

### COMPANIES DECLINE RISK.

It is probable that the insurance to be carried will be almost entirely accident insurance, as the companies decline to insure the lives of policemen, firemen and others of like occupation, excepting at an almost prohibitive figure.

The question has been thoroughly discussed at yet, but Commissioner Turner, City Engineer E. G. Jordan and City Attorney Ben F. Woolner are working on the problem. City Attorney Woolner stated after having the matter referred to him that he believed that there would be no legal difficulty in the way of the city insuring its employees against accidents.

The matter of insuring employees was brought to a head by the presentation of a claim for \$3,000 by the mother of the late Battalion Chief G. P. Morgan, for hospital and other expenses. The claim was allowed, although it was the largest bill of this nature ever paid by this city. Morgan was injured by an overturned fire department automobile, and died after several weeks and after many operations had been performed to save his life. The bill was investigated by Price Expert Jordan, and a recommendation made that it be paid. In the course of the recommendation Jordan pointed out that if the city had insured Morgan, the bill would have been considerably reduced, and a saving effected. He referred to the employers' liability act, which goes into effect the first of the year, suggesting insurance as the best method of meeting the situation to be presented.

### Cuban Central Buys Out Union Railways

LONDON, Nov. 24.—Negotiations were concluded today for the acquisition of the Cuban Central railways by the Union Railway of the Havana and Regla Warehouse, Limited. The shareholders of the Central are to receive \$27.50 nominal in Union shares in exchange for the \$50 shares.

### NOTED SCIENTISTS IN TELESCOPE CONFERENCE

CHARLES BURCKHALTER (LEFT) GREETING HIS TWO NOTED GUESTS, DR. A. BRASHEAR (MIDDLE) AND AMBROSE SWASEY (RIGHT), WHO ARRIVED IN OAKLAND THIS MORNING.

### UMPIRE MAHAFFEY HAS DISAPPEARED

#### Wife Searches for Base- ball Arbitrator Who Left South

SAN FRANCISCO, Nov. 24.—Loema Mahaffey, former first baseman on the Portland team and later a Pacific Coast League umpire, has mysteriously disappeared. He left Los Angeles on November 14 for Bakersfield, and arrived at his destination. His wife, who followed one train later, has been unable to find him, and has come to this city, believing he might have found his way here. Mahaffey has been in the saloon business in the South for several years and went to Bakersfield to meet some old men. He spent the night of his arrival in a Turkish bath and made arrangements to leave the next morning for this city. He was taken up a Pullman reservation, and there is some doubt as to whether he left Kern county. Mrs. Mahaffey, almost penniless and heartbroken over his disappearance, has asked the police to aid her in the search. She is at the Gordon Hotel.

### Escaped Convicts To Be Prosecuted

SACRAMENTO, Nov. 24.—Norman Hair, William E. Roder and Thomas Samuels, the three Folsom convicts who escaped from the prison several weeks ago, will be prosecuted under the state law making it a felony to attempt to escape from state prison, according to the decision reached Saturday night by the board of prison directors at its meeting at Folsom prison.

The penalty is five years, the term to commence at the time their regular sentence should have ordinarily expired. The men will be prosecuted in the Sacramento county court by District Attorney Wachoret.

### Y. M. I. Council to Give Entertainment for Sick Benefit

Final plans are now completed for the entertainment to be given tomorrow evening by Y. M. I. Council, Y. M. I., in St. Joseph's Hall. The proceeds are to be devoted to the care of the sick of the order and the members are leaving nothing undone to provide an interesting program. The farce "Slashes and Crashes," a dialogue in black and white, is the main attraction. The Y. M. I. Council will also give a dinner for the sick of the order.

### Planning Instrument for New Chabot Observatory

Arriving in Oakland to begin an

Dr. J. A. Brashear, noted maker of lenses and one of the foremost scientists of the United States, celebrated his seventy-fourth birthday at a dinner given in his honor by Director Charles Burckhalter of the Chabot Observatory. The other guests were Ambrose Swasey, telescope mounting expert, the man who mounted the Yerkes and Lick telescopes, and who has risen to the position of foremost scientific instrument maker known to the scientific world.

The occasion was made particularly interesting in that it also celebrated the decision of the city authorities to move the Chabot Observatory and to erect a new twenty-inch telescope for the noted scientific institution. Brashear and Swasey were directed in consultation with Burckhalter all morning discussing the new telescope, which is agreed to be a local scientist, a close friend of the pair, in drawing up specifications.

### BUSY TALKING "SHOP."

All morning the noted men wandered through a maze of figures discussing focal lengths, refraction, elasticity of glass and a thousand and one factors connected with the minute engineering task of constructing so large a telescope as has been ordered by the Board of Education for the observatory, which, with the new improvements, will be one of the largest on the coast.

Todays marks the end, to a day, of the twenty-sixth year since Swasey visited this city. The last visit was on the memorable occasion when he arrived here en route to the Lick Observatory, where he erected the great telescope which has since become famous the world over. Both scientists were amazed at the growth into a city of what then was a small hamlet.

Saturday night, at one of the greatest meetings the California Astronomical Society has ever held, the two noted men will be speakers before the state's delegates of the American Association of Astronomical Observers. Both are in California, and both will speak on their great work. Special preparations have been made to accommodate the large crowd and all interested have been invited to the meeting.

### HEADED MANY MOVES.

Brashear and Swasey have for years been headed by many moves. Brashear was the prime mover in gaining for Pittsburg its noted popular observatory, and has aided in many other projects. Both are in Oakland to assist Burckhalter in his present undertaking, he having been given the responsibility of choosing for Oakland its new telescope, which will take almost two years to build.

"I cannot give any details of the results of our conference," declared Dr. Brashear today. "For a full two weeks we have been working on the details of the new telescope, and we will be able to give you more definite suggestions."

Working with the two scientists, Burckhalter will have full details as to the telescope planned before any effort is made to invite bids for the work. The scientists will be in Oakland for several days.

### U. S. SAVES MONEY BY FOREIGN BEEF

#### The Supply Ship Culgoa Stocked at Economy of Thousands

WASHINGTON, Nov. 24.—The navy department stocked the supply ship Culgoa, about to sail for the Gulf of Mexico, with Argentine beef at a saving of somewhat more than half a cent a pound below the lowest estimate made by American packers. A consignment of 287,000 pounds was bought at 11.90 cents a pound, the lowest price for American beef being 12.40 cents. The Culgoa will sail from New York either today or tomorrow.

The navy also has just saved \$982.87 by buying a quantity of canned corn beef in the Australian market. This consignment of 120,000 pounds was bought at 15.37 cents a pound, the lowest American price being 23.31 cents.

### GEN. WOOD THROWN WHEN HORSE LEPAS

#### Army Head Bruised and Shaken in Parade Ground Mishap

WASHINGTON, Nov. 24.—Bruised and shaken, but otherwise uninjured, Major-General Leonard Wood, chief of staff of the army, was receiving congratulations today at the Ward apartment that a bad fall from his horse had not resulted more seriously.

General Wood and his daughter were cantering across the parade ground at Fort Myer, Va., yesterday, when the officer spurred his horse at a ditch. His charger, a high-spirited animal, unexpectedly leaped high in the air, rearing as it rose, and throwing General Wood heavily to the ground, rendering him unconscious. Men of the Third Field Artillery carried the officer to a shady spot at the side of the parade ground, where he quickly revived. He insisted on remounting and rode to his quarters.

not for some time be able to make any definite suggestions.

### SLINGSBY CASE CAUSE OF FLAYING

#### District Attorney Declares Matter Will Be Thoroughly Probed.

#### Will Lay Evidence Before Grand Jury, Despite Jurist.

SAN FRANCISCO, Nov. 24.—District Attorney Fickert, replying to Judge Dunne's threat to dismiss the grand jury in the investigation of the Slingsby substitution case, says some uncomplimentary things about the jurist in a statement issued today. He declares that he will investigate the Slingsby case in spite of Judge Dunne and the attorneys who have been retained to conduct the inquiry. Fickert's statement is as follows:

"When Judge Dunne's statement concerning the Slingsby case was called to my attention, I was, to say the least, surprised. It seemed incredible to me that a judge of the Superior Court, moved by malice though he might be, would dare to be so obviously unfair."

"I have only this to say: The Slingsby case will be thoroughly investigated by the district attorney's office, even in spite of Judge Dunne and the attorneys who have been specially hired to prevent the inquiry. If Judge Dunne cares to lead himself as an instrument for the use of attorneys George A. Knight and Andrew Thorne to obstruct justice, then that is his business, and I do not intend to be a party to it. I do not intend any note of defiance in what I say for that is not necessary. It is enough for the public to know that I intend to do my full duty in the Slingsby case and that I will not be intimidated or thwarted by designing persons."

### THE LIE DIRECT.

"Judge Dunne is making a conscious of the fact that in making the statement, in which he ascribes improper motives to me in the Slingsby case, he lies. This threat to dismiss the grand jury is weak, childish and puerile. He knows absolutely nothing of the facts in the Slingsby case and his arbitrary action must be the result of influence brought to bear upon him by interested persons. He has never interviewed me concerning the case, nor sought to learn of my office in any way what I have been seeking to accomplish. Evidently he is not concerned whether a crime has been committed by one side or the other in the Slingsby case, and seeks only to gratify a petty, personal desire to attack me."

### JURY DECLARED REPUTABLE.

"Nineteen men especially selected by Judge Dunne and the other judges of the Superior Court sit upon that grand jury, sworn to do their duty. They are all reputable citizens of this city."

ever been passed upon them or their motives until Judge Dunne's threat to dismiss them if they proceeded with the orderly performance of the work before them. When the district attorney believes that a crime has been committed it is his duty to call upon the grand jury to investigate it and present what evidence there is at hand to that body. The law says that it is the duty of the grand jury to hear the evidence and act upon it. That a crime has been committed by one side or the other in the Slingsby case cannot be denied, and it is clearly my duty and the duty of the grand jury to attempt to determine the exact nature of that crime and the identity of the persons guilty of its commission. If Judge Dunne desires to shield those persons, then that is up to him."

### WHY ASK DISMISSAL?

"Why is Judge Dunne so anxious to dismiss the Gormley grand jury? The Slingsby matter is not the only case that the Gormley grand jury now has under consideration, or may be called upon to consider. Could Judge Dunne, by any manner of means, have personal reasons for wanting to choke off the life of this grand jury? Could it be that he or any of his intimates have anything to fear? Time will be the answer to the peculiar attitude assumed by Judge Dunne in the Slingsby case."

"At the present I am conducting an investigation into all the phases of the Slingsby case. There is much to be done. When I have assembled all of my evidence, I will proceed to lay it before the grand jury. I do not care whether it is the Gormley grand jury or some other grand jury, and I do not care whether it will investigate Judge Dunne or spoil any of his plans."

### S. P. and Employees Hold Conference

HOUSTON, Tex., Nov. 24.—Representatives of operating employees on Southern Pacific lines in Louisiana and Texas had a conference with road officials here today for the purpose of adjusting the numerous grievances which led to the recent strike. It was hoped to avoid calling on the federal board of mediation. Each of the four unions was to present its complaints separately.

A SHORT TALK  
WITH US ON  
Money Matters

Will convince you that our rates are the  
very lowest and our system the best on  
household furniture and piano loans.

We make loans on personal property  
without removing the goods from your  
possession.

We charge you nothing if we do not  
make you a loan.

We make no objectionable inquiries in  
your neighborhood, but business in a  
discreet and confidential manner.

Do not lose your personal independence  
by asking a friend for a temporary  
loan when you are in need, but come to  
us for your wants; we make it a plain  
business proposition; you pay for what  
you get and do not have to ask favors.

We make the loan and will find the  
monthly or weekly payments for ONE  
month to ONE YEAR and charge you for  
the use of the money only for the length  
of time you have it.

We Give You a Written  
Statement

showing to a cent the exact cost of a  
loan and also to a cent the exact amount  
of discount we allow for each month the  
loan is paid, minus all expenses. You  
can get no better proposition. You will  
find it to your advantage to get our rates  
before placing a loan elsewhere.

No Charges Deducted

Loans with other companies paid up and  
more money advanced on easy payments  
and longer time.

Quick service and the best of satisfaction  
if you come to this.

OLD RELIABLE FIRM.

HOUSEHOLD LOAN CO.

BANK BLDG. 14th and Broadway.  
FOURTEENTH AND BROADWAY.  
PHONE OAKLAND 6550.

Four Reasons Why

You should investigate our plan of loaning  
money on furniture, pianos, etc.

1st All loans are absolutely private.

2d You receive quick, courteous and  
confidential treatment.

3d In case of misfortune prior to  
liquidation of loan, you will find  
always ready to extend payment  
and grant such favors as are reasonable.

4th Interest charged only for the actual  
time you keep the money.

IF YOU are in need of money for  
TAXES, WINTER NECESSITIES,  
or any other purpose, you get the money.  
Tell us the amount you need, the  
length of time you want it, we will tell  
you EXACTLY WHAT THE COST WILL BE.

It is so simple that you can get the money.

in the premises. Phone Oakland 2521.

CALIFORNIA LOAN CO.  
415 Broadway, corner 9th, Oakland.

DON'T borrow on salary until you see  
me. F. A. Newton, 513 Union Sq. Bldg.

NOTICE TO BORROWERS.

It pays to deal with a reliable firm. We  
do not "short" or "cheat" the salary or terms  
but will loan you any amount for any  
length of time on household furniture,  
piano or other personal property at as low  
interest as can be had at any bank. This  
is not a get-rich-quick concern, but a  
responsible firm with local bank references,  
established 1896.

We make the loan and will find the  
monthly or weekly payments for ONE  
month to ONE YEAR and charge you for  
the use of the money only for the length  
of time you have it.

Everything strictly confidential.

LANE INAUGURATES  
EXPERIMENT AT U.

Dr. Stephenson of Geological Survey to Occupy Chair at University of California.

WASHINGTON, Nov. 24.—Entrance on a new field of experimental in educational work was made public today by Secretary Lane of the interior department, who announced the temporary withdrawal from the geological survey of Dr. L. N. Stephenson to occupy a chair in the department of geology at the University of California. The government scientist, who became professor of paleontology and both the government and the university are expected to benefit through the arrangement.

"The reason of Dr. Stephenson's new line of work in California and the added experience," said Secretary Lane, "the gain to the geological survey upon his return in the spring will be more than posthumous for a short time of the government work on which he is now engaged."

The scientist will lay down his government duties January 1 and will take up the labors of the pedagogical almost immediately. He is devoting about four months to the class room. He has been making extensive and important geological investigations in the Atlantic and Pacific coast states.

**Ugly Sores Quickly Banished**  
You Marvel How Worst Skin Eruptions Disappear as Result of Famous Remedy

If you should meet anyone varnishing a sore with greasy ointment, your best advice would be to quit such things and attend to the matter properly.

To successfully fight any blood trouble, some eruptive skin disease—call it eczema, lupus, psoriasis, malaria, scrofula, or what you will—there is but one sure, safe way to cure it. Ask at any drug store for a bottle of S. S. S. and you are then on the road to health. The action of this remarkable remedy is just as direct, just as positive, just as certain in its influence as that the sun rises in the east. It is one of those rare medical forces which act in the blood with the same degree of certainty that is found in all natural tendencies. The manner in which it dominates and controls the mysterious transference of rich, red, pure arterial blood to the diseased venous blood is marvelous.

Out through every skin pore acids, germs and other blood impurities are forced in the form of invisible vapor. The lungs breathe it out, the liver is stimulated to consume a great proportion of impurities, the stomach and intestines cease to convey into the blood stream the catarrhal malarial germs; the bowels, bladder and all emunctories of the body are marshaled into a fighting force to expel every vestige of eruptive disease.

There is scarcely a community anywhere but what has its living example of wonderful curative effects of S. S. S. Get a bottle of this famous remedy to-day, and if your case is stubborn or peculiar, write to the Swift Specific Co., 215 Swift Bldg., Atlanta, Ga.

Do not permit anyone to talk you into some useless compound they put up as a substitute for S. S. S. No honest druggist will do this.

MINOR THEFTS  
KEEP POLICE BUSY

Burglaries Reported, But the Crooks Gain Little, Say Police.

SAN FRANCISCO, Nov. 24.—Nearly a score of minor burglaries were reported to the police yesterday from many sections of the city, together with numerous attempts to force entrance into stores and homes.

Saying that she suspects a woman of the theft, a police officer yesterday asked the police to recover jewelry worth about \$55, which disappeared mysteriously from the Sanders apartments.

Victor C. C. a saloonman of 575 Broadway, was the victim of a burglar who jimmied his way into the place and stole the cash register of \$5.

Kearny street, reported that a thief had secured ingress to his room with a key and stolen a typewriter and some clothing.

J. A. Bowers, a contractor erecting a building at Nineteenth Avenue and Lake street, was robbed of tools worth \$15. Entering through a rear window, a burglar robbed the cash register of the saloon of O. Metzler, 25 Embarcadero of \$5 and made his escape.

What appears to have been an attempt to break into the room of Joseph Erdelatz, 54 Townsend street. A special officer saw a crowd waiting at the police by firing a shot in the air.

Alphonse Witte, caretaker at 270 California street twice was the victim of burglars, who finally stole a tin box containing papers of value similar to himself. He named a suspect to the police.

Mrs. Mary I. Sauer, 1222 Fourth Avenue, reported that burglars had entered her home during the absence of herself and husband, who is a policeman. The thieves secured jewelry worth \$30.

Edward R. Jenson, 121 Central Avenue, was the victim of three youthful burglars, who entered his basement through an alley door and stole several guns and other hunting apparatus worth \$75.

Jenson was asked in time to see the trio escaping. He gave chase, and managed to catch one of the thieves, but the youth escaped again. Patrolman Julius Hiett searched the neighborhood later without result.

Robbed of a watch and chain by a thief who entered his home with a pass key. Aroused by hearing sounds in the rear of her home, Mrs. M. S. Hewitt, 1901 Page street, investigated and saw two men standing just outside. They fled at her call, and an investigator showed that a door knob had been twisted off.

**SAYS SUFFRAGE MEANS SOCIALISM**

**Anti-Votes-for-Women Advocate Warns Crusaders.**

WASHINGTON, Nov. 24.—Mrs. William A. Putnam of New York, prominent in the New York and national fight against "votes for women," declares woman suffrage is the promoter of Socialism.

She warns congress if it uses the Federal government to encourage woman suffrage it will foster Socialism.

In a statement given out by the Washington headquarters of the National Association Opposed to Woman Suffrage she says:

"When the members of the House committee on rules, the House will be made to then for woman suffrage at the hearing on December 8, they should remember that every attempt to establish the equal franchise is also an attempt to promote Socialism under the name of woman suffrage."

"The progressive woman declares that when all women vote, Socialism will have become the great issue, and it will be a Socialism and free love. It is an illusion to suppose that woman suffrage can be obtained separately from the Socialist Republic."

"The Socialists hall woman suffrage as the greatest ally they can possibly have, and every victory of the suffragists means one more victory for Socialism."

**PARK ANTELOPE HAS ADOPTED A KANGAROO**

SAN FRANCISCO, Nov. 24.—"Here's one that I am afraid will put me in the nature fakes class," said Sergeant Pat McGee of the Golden Gate park mounted squad yesterday, as he pointed to a small antelope, a big antelope, a few days ago, however, it was noticed that the seemingly had regained her old spirit, and Sergeant McGee determined to ascertain the cause of this change.

It was not long before the whole affair was as an open book to the sergeant. Annie had taken to mothering the young kangaroos which abound in the deer paddock.

"Why any morning," said McGee, "you can see Annie lying under a tree with a baby kangaroo curled up beside her, and say—if you go to see her, don't set her down, for she is a true mother, as the corpse of a real kangaroo mother which we found a few days ago bears witness."

**FUSION CAMPAIGN IN NEW YORK IS COSTLY**

NEW YORK, Nov. 24.—The total cost of the fusion campaign that resulted in the election of John P. Mitchell as Mayor of New York City was \$159,819, according to the report of Charles L. Bernheimer, treasurer of the citizens' night. Among the large contributors to the fund were Andrew Carnegie, \$7500; Jacob H. Schiff, \$6000; and Cleveland H. Dodge, George W. Perkins and John D. Rockefeller, \$5000 each. The committee estimated a total of \$159,787, leaving a balance in the treasury of \$32.

Among the large contributors to the fund were Andrew Carnegie, \$7500; Jacob H. Schiff, \$6000; and Cleveland H. Dodge, George W. Perkins and John D. Rockefeller, \$5000 each. The committee estimated a total of \$159,787, leaving a balance in the treasury of \$32.
